**How to Become a Spy** British Special Operations Executive,2015-06-09 During World War II training in the black arts of covert operation was vital preparation for the ungentlemanly warfare waged by the Special Operations Executive SOE against Hitler s Germany and Tojo s Japan In the early years of the war the SOE set up top secret training schools to instruct prospective agents in the art of being a spy Soon there was an international network of schools in operation in secluded locations ranging from the Scottish Highlands to Singapore and Canada Reproduced here is one of the most comprehensive training syllabi used at SOE s Special Training Schools STSs instructing agents on how to wreak maximum havoc in occupied Europe and beyond A staggering array of unconventional skills are covered from burglary close combat and silent killing to utilizing propaganda surveillance and disguise giving an unprecedented insight into the workings of one of WWII s most intriguing organizations These files released from the British National Archive put covert history in readers hands Uncover an exciting little known part of WWII history and delve into the inner workings of a real spy network Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

**Resistance** Halik Kochanski,2022-05-24 WINNER OF THE 2023 WOLFSON HISTORY PRIZE New Yorker Best Books of 2022 This is the most comprehensive and best account of resistance I have read It addresses the story with scholarly objectivity and an absolute lack of sentimentality So much romantic twaddle is still published it is

marvelous to read a study of such breadth and depth which reaches balanced judgments Max Hastings The Sunday Times UK Resistance is the first book of its kind a monumental history that finally integrates the many resistance movements against Nazi hegemony in Europe into a single sweeping narrative of defiance To resist therefore But how when and where There were no laws no guidelines no precedents to show the way Dutch resister Herman Friedhoff In every country that fell to the Third Reich during the Second World War from France in the west to parts of the Soviet Union in the east a resistance movement against Nazi domination emerged And every country that endured occupation created its own fiercely nationalist account of the role of homegrown resistance in its eventual liberation Halik Kochanski s panoramic prodigiously researched work is a monumental achievement the first book to strip these disparate national histories of myth and nostalgia and to integrate them into a definitive chronicle of the underground war against the Nazis Bringing to light many powerful and often little known stories Resistance shows how small bands of individuals took actions that could lead not merely to their own deaths but to the liquidation of their families and their entire communities As Kochanski demonstrates most who joined up were not supermen and superwomen but ordinary people drawn from all walks of life who would not have been expected least of all by themselves to become heroes of any kind Kochanski also covers the sheer variety of resistance activities from the clandestine press assistance to Allied servicemen evading capture and the provision of intelligence to the Allies to the more violent manifestations of resistance through sabotage and armed insurrection For many people resistance was not an occupation or an identity but an activity a person would deliver a cache of stolen documents to armed partisans and then seamlessly return to their normal life For Jews under Nazi rule meanwhile the stakes at every point were life and death resistance was less about national restoration than about mere survival Why resist at all Who is the real enemy What kind of future are we risking our lives for These and other questions animated those who resisted With penetrating insight Kochanski reveals that the single quality that defined resistance across borders was resilience despite the constant arrests and executions resistance movements rebuilt themselves time and time again A landmark history that will endure for decades to come Resistance forces every reader to ask themselves yet another question this distinct to our own times What would I have done

**Brighton Belle** Sara Sheridan, 2016-03-29 After WWII a woman settles in a seaside town where her old intelligence skills come in surprisingly handy Great fun James Runcie author of the Grantchester mysteries In post World War II England former Secret Service operative Mirabelle Bevan becomes embroiled in a new kind of intrigue 1951 In the popular seaside town of Brighton it s time for Mirabelle Bevan to move beyond her tumultuous wartime years and start anew Accepting a job at a debt collection agency seems a step toward a more tranquil life But as she follows up on a routine loan to Romana Laszlo a pregnant Hungarian refugee who s recently come off the train from London Mirabelle s instincts for spotting deception are stirred when the woman is reported dead along with her unborn child After encountering a social climbing doctor with a sudden influx of wealth and Romana s sister who seems far from bereaved and doesn t sound Hungarian Mirabelle decides to

dig deeper into the suspicious circumstances surrounding the death Aided by her feisty sidekick a fellow office worker named Vesta Churchill no relation to Winston as she explains Mirabelle unravels a web of evil that stretches from the Brighton beachfront to the darkest corners of Europe Putting her own life at risk she must navigate a lethal labyrinth of lies and danger to expose the truth An entertaining series launch Mirabelle is indeed a lady even when she s climbing over back fences and knocking back whiskey Publishers Weekly
