John Walker

Sojourners To Speak:

Sojourner, So to Speak Joseph Somoza, 1997 **The Chinese Laundryman** Paul C.P. Siu, 1987 The definitive scholarly study of Chinese laundries and those who worked in them in the U S Considered a classic piece by students of overseas Chinese and Asian American studies The Chinese Laundryman is also a landmark in the study of ethnic occupations and in the social and cultural history of the immigrant in America Lightning Print On Demand Title *Rhetorical Agency* Les Belikian, 2017 In recent accounts of rhetoric s storied productivity commentators have implied along systematically Kantian lines albeit with the occasional protestation that agency must be coextensive with subjectivity But is that all there is to 2 500 years worth of hypothesizing about the ways in which communication might promote social change Les Belikian s answer drawing not only on traditional and contemporary rhetorical studies but also on Deleuzean thinking actor network theory and object oriented ontology takes the form of a quadruply contrarian thesis Rhetorical agency inheres irreducibly so in subjectivity in conventionality in transcendence and in materiality all of which are themselves under production

Tenhoff, 2019-12-10 A debut collection of stories uncanny and profound In this striking debut S P Tenhoff takes us to real and imagined countries around the globe where characters find themselves

passengers on voyages beyond the boundaries of their familiar world and their understanding of themselves A town is split in two a line painted down the middle when two warring governments decide arbitrarily to redraw borders A man hits a boy in a car accident that he begins to suspect might not have been an accident after all An aging puppeteer in Edo period Japan struggles to choose a successor before dementia overtakes him And in the title story a mysterious illness causes its victims to travel like sleepwalkers to distant countries where they wake to discover that they are now fluent in languages and cultures they previously didn't know at all Uncanny and profound these ten stories capture those pivotal moments when our sense of place and self is forever shaken and we must chart a new course The Call Dr. Milicent J. Coburn, 2014-02-17 I am amazed and fascinated by the variety of calls that each person experiences and makes during his or her lifetime We are all bombarded by calls yet I realize that we cannot exist without them This book's chronology of the variety of calls speaks to one specific call the call to salvation Many from different lifestyles social status and points of view responded to this call and experienced a rewarding and complete life in service to God The path to this enriched life was not easy for the many that chose to accept the call Persecution imprisonment beatings and other atrocities are documented and outlined between the covers of this book Yet irrespective of the obstacles perseverance and victory won the day From a biblical perspective God began the call in the book of Genesis Through his divine foreknowledge he knew what man's response would be yet he still made the call The accounts of the many trailblazers described in this book have left their footprints in the sands of time as a testimony that decisions made have eternal consequences The author hopes that close examination of the lives lived will be a source of encouragement to respond positively to the call A complete concordance to the Old and New Testament, with a memoir by W. Youngman Alexander Cruden, 1896
