

SOLOMON GOLDMAN

A RABBI'S RABBI

By Jacob J. Weinstein

Solomon Goldman A Rabbis Rabbi

Ira Robinson

Solomon Goldman A Rabbis Rabbi:

The Rabbi's Wife Shuly Rubin Schwartz, 2007-09-01 2006 National Jewish Book Award Modern Jewish Thought Long the object of curiosity admiration and gossip rabbis wives have rarely been viewed seriously as American Jewish religious and communal leaders We know a great deal about the important role played by rabbis in building American Jewish life in this country but not much about the role that their wives played The Rabbi's Wife redresses that imbalance by highlighting the unique contributions of rebbetzins to the development of American Jewry Tracing the careers of rebbetzins from the beginning of the twentieth century until the present Shuly Rubin Schwartz chronicles the evolution of the role from a few individual rabbis wives who emerged as leaders to a cohort who worked together on behalf of American Judaism The Rabbi's Wife reveals the ways these women succeeded in both building crucial leadership roles for themselves and becoming an important force in shaping Jewish life in America

Solomon Goldman Jacob Joseph Weinstein, 1973 A tribute to his career by a former colleague Rabbi Solomon Goldman, 1893-1953, 1953 *American Jewish Orthodoxy in Historical Perspective* Jeffrey S. Gurock, 1996 American freedom opportunity and voluntarism has created challenges to the traditional faith and practice of all religious denominations Jeffrey S Gurock's pathbreaking work on the history of Jewish Orthodoxy in America has identified and explored the many ways that one religious group responded to those challenges His model and influential studies of the American Orthodox rabbinate and synagogue have shown that attitudes favoring religious reconciliation and accommodation to the American environment were not less important than Orthodoxy's staunch resistance to that same environment His seminal work has challenged scholars to understand that Orthodoxy is composed of a spectrum of approaches and has demonstrated that merely labelling a person or institution as Orthodox is only the first step towards understanding a particular stance on the most contentious of issues *American Jewish Orthodoxy in Historical Perspective* brings together fifteen of Professor Gurock's most important essays with a new introduction that places his work in historiographical perspective Beginning with his now classic *Resisters and Accommodators* and *The Orthodox Synagogue* which provide the general viewpoint for what follows this collection proceeds to individual case studies that examine the ways in which Orthodox Jews understood Christian religious threats the challenges of modern Zionist ideologies the varieties of Orthodox lay behavior profiles of influential Orthodox rabbis the styles of American Orthodox synagogues and a description of one type of Orthodox day school education

The Jewish Daily Bulletin Index, 1926 **Orthodox Judaism in America** Marc Raphael, Moshe Sherman, 1996-05-14 The last in a series of three volumes edited by Marc Lee Raphael surveying some of the major rabbinic and lay personalities who have shaped Judaism in America for the past two centuries this work focuses on Orthodox Judaism Along with a basic description of the achievements of some of the most notable leaders a bibliography of their writings and sources for further study is included as well as an essay on Orthodox rabbinic organizations and a survey of American Orthodox periodicals Of interest to scholars students and lay persons alike

this volume will inform readers about the earliest communities of Jews who settled in America as they developed the institutions of Orthodox Jewish life and set a public standard of compliance with Jewish law These early American Jews followed a Spanish Dutch version of Sephardic customs and rites Their synagogues used traditional prayer books promoted the celebration of Jewish holidays established mikvahs acquired Passover provisions and arranged for cemetery land and burial services While many of these Sephardic immigrants did not maintain halakha in their daily regimen as did their European counterparts they set a public standard of compliance with Jewish law thus honoring Jewish tradition Further immigration of thousands of Jews from Western and Central Europe in the middle of the 19th century brought a world of traditional piety and extensive Jewish learning to America exemplified by Rabbi Abraham Rice who served in Baltimore and Yissachar Dov Bernard Illowy who served communities from Philadelphia to New Orleans Such men marked the beginning of a learned and scholarly rabbinate in America This volume provides valuable biographical insights regarding some of the most notable religious leaders in American Orthodoxy [The American Rabbinate](#) Jacob Rader Marcus, Abraham J. Peck, 1985

American Jewish Identity Politics Deborah Dash Moore, 2009-12-18 Explores changes among American Jews in their self understanding during the last half of the twentieth century *The Reform Advocate* , 1921 ["A Link in the Great American Chain"](#) Ira Robinson, 2023-05-16 This book brings together six articles the author has published in recent years on the development of the Orthodox Jewish community in Cleveland Ohio While a number of scholars have ably presented important parts of the history of Jewish Orthodoxy in Cleveland Ohio this book is a first attempt to deal comprehensively with the story of Cleveland Orthodox Judaism Chapters one and two taken together present a connected narrative history of the evolution of the Jewish Orthodox community in Cleveland Ohio from its beginnings to the early twenty first century The succeeding chapters present in greater detail persons and institutions of great importance to the historical development of the Orthodox community *Judaism in America* Marc Lee Raphael, 2005-12-20 Jews have been a religious and cultural presence in America since the colonial era and the community of Jews in the United States today some six million people continues to make a significant contribution to the American religious landscape Emphasizing developments in American Judaism in the last quarter century among active participants in Jewish worship this book provides both a look back into the 350 year history of Judaic life and a well crafted portrait of a multifaceted tradition today Combining extensive research into synagogue archival records and secondary sources as well as interviews and observations of worship services at more than a hundred Jewish congregations across the country Raphael s study distinguishes itself as both a history of the Judaic tradition and a witness to the vitality and variety of contemporary American Judaic life Beginning with a chapter on beliefs festivals and life cycle events both traditional and non traditional and an explanation of the enormous variation in practice Raphael then explores Jewish history in America from the arrival of the first Jews to the present highlighting the emergence and development of the four branches Orthodox Conservative Reconstructionist and Reform After documenting the considerable

variety among the branches the book addresses issues of some controversy notably spirituality conversion homosexuality Jewish education synagogue architecture and the relationship to Israel Raphael turns next to a discussion of eight American Jews whose thoughts and or activities made a huge impact on American Judaism The final chapter focuses on the return to tradition in every branch of Judaism and examines prospects for the future , Congressional Record United States. Congress,1943 The Jews of Chicago Irving Cutler,1996 Vividly told and richly illustrated with more than 160 photos this fascinating history of the cultural religious fraternal economic and everyday life of Chicago s Jews brings to life the people events neighborhoods and institutions that helped shape today s Jewish communities 15 maps Graphs tables *Jews Against Zionism* Thomas Kolsky,2010-05-03 The first full scale history of the only organized American Jewish opposition to Zionism during the 1940s *A Rabbi Takes Stock* Solomon Goldman,1928 **Jewish Affairs** ,1967 *Communings of the Spirit* Mel Scult,2016-10-10 With honesty and vivid detail Kaplan explores his evolving beliefs on religious naturalism and his uncertainties and self doubts as he grapples with a wide range of theological issues Orthodox Jews in America Jeffrey S. Gurock,2009-03-26 Jeffrey S Gurock recounts the history of Orthodox Jews in America from the time of the early arrivals in the 17th century to the present and examines how Orthodox Jewish men and women coped with the personal familial and communal challenges of religious freedom economic opportunity and social integration His absorbing narrative portrays the varied lifestyles of Orthodox Jews and exposes the historical tensions that have pitted the pious against the majority of their co religionists who have disregarded Orthodox teachings and practice Exploring Orthodox reactions to alternative Jewish religious movements that have flourished in a pluralistic America Gurock illuminates contemporary controversies about the compatibility of modern culture with a truly pious life providing a nuanced view of the most intriguing present day intra Orthodox struggle the relationship of feminism to traditional faith The book exposes the hypocrisy of Jews who while outwardly devout in their careful observance of religious ritual have behaved as moral miscreants Anyone seeking to understand the American Jewish experience will find Orthodox Jews in America to be essential reading **The Jewish Forum** ,1927

Solomon Goldman A Rabbis Rabbi Book Review: Unveiling the Power of Words
