## **Solomons Children Exploding The Myths Of Divorce:**

**Solomon's Children** Glynnis Walker,1986      **Solomon's Children** Glynnis Walker,1986      *Edith Wharton's The Custom of the Country* Laura Rattray,2015-10-06 Bringing together leading Wharton scholars from Europe and North America this volume offers the first ever collection of essays on Edith Wharton's 1913 tour de force *The Custom of the Country*      **Military Families** A. Sue Goodman,1990      **Welcome to the Jungle** Geoffrey T. Holtz,2011-04-01 A provocative examination of the challenges and realities faced by Generation X In *Welcome to the Jungle* Geoffrey T Holtz delves into the complex world of Generation X exploring the unique circumstances and societal shifts that have shaped this often misunderstood demographic From the population bomb to the warehouse generation Holtz investigates the myriad factors influencing the lives of those born between 1965 and 1980 Through meticulous research and insightful analysis Holtz uncovers the truths behind the stereotypes shedding light on the challenges faced by Gen Xers including shrinking paychecks rising anxiety levels and the struggle to balance work and family life in an increasingly competitive world He explores the impact of media technology and evolving parenting styles on this generation's identity and outlook With a keen eye on the future *Welcome to the Jungle* offers a thought provoking perspective on the long term consequences of these societal changes and the potential fallout from the Movement This book is a must read for anyone seeking to understand the complexities of Generation X and the world they inhabit      *Adolescents At Risk* Joan Kaywell,1993-11-19 This is the first annotated guide to recent young adult literature that is organized into specific problem areas alienation and identity disabilities homosexuality divorced and single parents adopted and foster families abuse eating disorders anorexia nervosa and bulimia alcohol and drugs poverty dropouts and delinquency teenage pregnancy AIDS death and dying and stress and suicide More than 900 recommended books published through 1993 have been annotated Reading levels of recommended books are grades 5-8 and interest level is through grade 12 This work addresses bibliotherapy but is not based on it Instead it is built on the premise that literacy is the key to growth and understanding Each chapter deals with a specific adolescent problem area and begins with general comments about the problem startling information and current statistics about its gravity and pervasiveness warning signs to look for and suggestions of what to do and where to go for help Each entry contains complete bibliographic information The format and readable annotations will make it easy for young adults parents librarians teachers clergy psychologists counselors social workers and health professionals to find appropriate fiction and nonfiction books and articles on the serious problems that adolescents face today      **The Individual, Marriage, and the Family** Lloyd Saxton,1996 A truly interdisciplinary approach this text incorporates biological psychological and sociological perspectives to the study of the family      *Family Careers* Joan Aldous,1996-02-05 Joan Aldous does not just give us an update of her influential 1978 version of *Family Careers* but provides us with a rethinking of the whole approach As a result we have available to us a new version of the family development approach for students and researchers Students will

particularly delight in Professor Aldous's clear exposition of ideas and research James M White Ph D University of British Columbia This book lays out an agenda that may appear simple but in reality is very complex and then proceeds to do an extraordinarily good job of adhering to it Joan Aldous's personal examples and interview excerpts drawn from other sources are very good adding some substance to the discussion that surrounds them These are bound to be helpful for students Duane W Crawford Texas Tech University A unique contribution to its field Family Careers is the first volume to examine the expectable changes in today's families from the time the family is formed until it is dissolved No other book covers the broad variety of families in contemporary society using a consistent theoretical approach Joan Aldous presents the developmental approach to studying contemporary families in a clear and understandable fashion First she presents the concepts that distinguish family development then she compares those with other theoretical perspectives Drawing from a diverse array of families she gives the reader a comprehensive picture of the shifts in patterns of family interaction over time as they are influenced by their social contexts of work and school Throughout the book there are quotations comments and excerpts from letters to illustrate the family lives of individuals as they actually live them This thought provoking volume is sure to stimulate discussion and is highly recommended for graduate and undergraduate students in family development advanced family theory classes and advanced family and marriage classes **The Publishers Weekly** ,1987 Kirkus Reviews ,1985

Adult books are categorized by genre i e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children's section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical **Health Implication of Family Breakdown** Lennart Köhler,1987 **Quill & Quire** ,1986 *Jim Kobak's Kirkus Reviews* ,1985 Focus on Families Ruth K. J. Cline,1990 Chapters discuss topics related to the family and include annotated lists of resources such as fiction nonfiction and nonprint materials organizations and hotlines

**Families Apart** Melinda Blau,Melinda Blaw,1995 Based on interviews with divorced parents children family therapists and psychologists this book by award winning journalist Melinda Blau offers ten solid principles designed to enable parents and children to function as a family even though they no longer live together *A London Bibliography of the Social Sciences* ,1931 Vols 1 4 include material to June 1 1929 *Fatherless America* David Blankenhorn,1995-02-08 With passion and precision Fatherless America demonstrates that whether our concern is with teenage pregnancy crime violence against women educational failure or child poverty no social trend of our generation is more dangerous than fatherlessness It weakens families harms children causes or aggravates our worst social problems and makes individual adult happiness harder to achieve This explosive book goes beyond documenting the effects of fatherlessness on individual families to show how the very ideal of fatherhood is under siege with devastating consequences for society at large Fathers are increasingly

seen as expendable or as part of the problem Does every child need a father David Blankenhorn asks Increasingly our answer is no or at least not necessarily BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved     **Shaping Shorter Essays** Ann M.
