Storytellers Guide Advice For The Classroom:

The Storyteller's Guide William Mooney, 1996 Guide to becoming a better storyteller with advice from more than fifty of America's best known storytellers who answer questions about such issues as creating original stories controlling stage fright marketing and setting fees and using storytelling in the library and classroom *The Ultimate Guide for Student Product Development and Evaluation* Frances A. Karnes, Kristen R. Stephens, 2000 Introduce your students to the wonderfully creative products found in *The Ultimate Guide for Student Product Development and Evaluation* This book offers a step by step introduction to confidently using creative products in your classroom The authors offer ideas for integrating products into your existing curriculum ways to help students plan and create their products and easy and effective evaluation strategies The book also offers many strategies for making sure that your students hard work is noticed by other students parents and community members With descriptions and evaluation criteria for more than 45 creative products from dioramas to scripts and musical performances the possibilities for displaying your knowledge and ideas through original products are limitless Of course what would *The Ultimate Guide* be without the ultimate student product planner This reproducible student planner takes your students step by step through every phase of the product development process A sure hit with students who tend to wait until the last minute the student planner is a perfect cure for the chronic procrastinator Filled with more than 250 pages of creative product ideas suggested evaluation methods and common sense teaching advice this book promises to bring learning to life in your classroom Book jacket **The Parent's Guide to Storytelling** Margaret Read MacDonald, 2001 A quick and easy guide to storytelling for parents and grandparents Includes nineteen easy to tell stories and lists of story sources to help find more **The Whole Story Handbook** Carol L. Birch, 2000 Birch storyteller children's librarian and teacher tackles the slippery topic of the difference between reciting a memorized story and telling it directly and engagingly to listeners The storyteller must know far more about the story than he or she tells In addition to her own infectious prose Birch provides a series of guided imagery exercises that walk the reader through the nuts and bolts of learning imagining a story from the inside out in order to be fully present in its telling *Storytelling* Josepha Sherman, 2015-03-26 Storytelling is an ancient practice known in all civilizations throughout history Characters tales techniques oral traditions motifs and tale types transcend individual cultures elements and names change but the stories are remarkably similar with each rendition highlighting the values and concerns of the host culture Examining the stories and the oral traditions associated with different cultures offers a unique view of practices and traditions *Storytelling* An Encyclopedia of Mythology and Folklore brings past and present cultures of the world to life through their stories oral traditions and performance styles It combines folklore and mythology traditional arts history literature and festivals to present an overview of world cultures through their liveliest and most fascinating mode of expression This appealing resource includes specific storytelling techniques as well as retellings of stories from various cultures and traditions

Improving Your Storytelling Doug Lipman,1999 The first steps in storytelling are often easy because we tell stories informally every day Once you take storytelling into the more formal contexts of performance or occupational uses however you may be faced with challenges you hadn't anticipated You need information that goes beyond the basics And you need it in a form that does not just tell you what to do but helps you make your own informed decisions This book is meant for the reader who has already begun to tell stories and is ready to learn more about the art Instead of rules to follow it gives you a series of frameworks that encourage you to think on your feet Doug Lipman has written and taught extensively on the art of storytelling With the same generosity and warmth that characterize his workshops he considers the teller's relationship to the story the teller's relationship to the audience and the transfer of imagery in a medium that is simultaneously visual auditory and kinesthetic

Storytelling Tips and Tales Mark Pierce,Karen Jennings,1998-09 Educational resource for teachers parents and kids *Handbook of Research on Teaching and Learning in K-20 Education* Wang, Viktor,2013-06-30 While the general agreement in education remains that the more senses involved in learning the better we learn the question still remains as to the distinction between the education of children and the education of adults *Handbook of Research on Teaching and Learning in K-20 Education* provides well rounded research in providing teaching and learning theories that can be applied to both adults and children while acknowledging the difference between both This book serves as a comprehensive collection of expertise research skill and experiences which will be useful to educators scholars and practitioners in the K-12 education higher education and adult education field

Performance Literacy Through Storytelling Nile Stanley,Brett Dillingham,2009 Make storytelling a part of your daily curriculum This practical guide from Nile Stanley and Brett Dillingham shows busy K-8 teachers how to use storytelling to motivate and engage all readers and writers while supporting the standards Mini lessons at beginning intermediate and advanced levels help teachers weave storytelling into the fabric of today's standards based classroom and construct their own skillful literacy lessons Reluctant and striving readers and writers English language learners and even more advanced storytellers will love the confidence they gain as they move from developing to delivering a variety of stories for a variety of audiences Teachers will love the many benefits of performance literacy or teaching children how to write and perform stories Develop literacy skills language vocabulary comprehension writing process speaking and listening along with performance skills and self expression Easily integrate learning across the content areas Deepen the connection between home school and community Promote students creativity and activate their prior knowledge Encourage respect and self improvement as students learn to critique each other's stories and performances in a non threatening manner *Developing Literacy Through Storytelling* comes complete with a story index curriculum tie ins digital storytelling tips and information for using the companion website with supplemental multimedia An audio CD includes more than 70 minutes of stories and songs from the authors themselves in addition to other well known storytellers performers and educators Karen Alexander John Archambault David Plummer

HeatherForest Brenda Hollingsworth Marley Gene Tagaban and Allan Wolf Don't just teach literacyperform it **A Life in Storytelling** Binnie Tate Wilkin,2014-03-25 A Life in Storytelling contains the reflections and lessons from one of the most noted storytellers of our times Fifty years of storytelling has provided Binnie Tate Wilkin with the experiences and insights to form the basis of a text for the storyteller both for the professional librarian teacher or parent wanting to provide children with substance through story The sections of the book are designed to provide background material for the art and craft of storytelling the methods and uses of storytelling sources and examples of stories and a broad selection of over 100 stories briefly annotated Included are sections that explain how to derive or adapt stories from current events history or imaginative writings and a detailed treatment in the use of dance in storytelling a technique that if not invented by Wilkin has become a trademark of her approach The treatment is always informal and personal and is interleaved with anecdotes drawn from the author's more than 50 years of storytelling
