Straight Is The Way:

A Hebrew and English Lexicon of the Old Testament Wilhelm Gesenius, 1894 **New Outlook**, 1916 Divinity Liturgy James (the less, Apostle, pseudon.), 1872 **Woe-Speeches within the Context of an Oracular Inquiry** Michael Floyd, 2024-12-12 Michael H Floyd explores how the woe speeches in Habakkuk 2 6 20 are related in form and content to the message revealed to the prophet in Hab 2 1 5 defending his reading through spirited debate with other scholars who have similarly proposed a fresh take on various exegetical puzzles of Chapter 2 After assessing the preceding material in Habakkuk 2 as the necessary prelude to analyzing the woe speeches themselves Floyd explores the form and function of the woe speeches themselves in light of how they fit into the unfolding composition of the oracular report that makes up Habakkuk 2 He further brings together and systematizes previous observations about the rhetoric of reproof arguing that the woe speeches themselves represent a different type of reproof speech one that also draws upon wisdom traditions but uses them in a way that is more accusatory and self incriminating than persuasive and correctional He proposes that although the outcry of the nations in Habakkuk 2 is obviously a fictional representation of the international situation it nevertheless expresses a realpolitik critique of ancient Near Eastern imperialism Floyd concludes that as an integral part of Habakkuk s oracular inquiry the woe speeches provide a basis for a critique of the idolatrous ideology of imperialism and a model of how to live hopefully despite being under an imperialistic thumb **A Commentary on the Proverbs** John Miller, 2023-06-13 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **Outpouring of the Soul** Rabbi Nachman of Breslov o.b.m., Rabbi Nussun of Breslov o.b.m., Rabbi Nathan Sternhartz o.b.m., 2016-07-07 HH This is the gateway to G d the righteous come through with it Psalms 118 20 Many great and famous tzaddikim righteous saints asserted that they did not attain their lofty standing except through this practice of personal prayer and dialog conducted frequently and constantly with G d especially in seclusion Likutay Moharan vol 2 Torah 25 Whether one is G d forbid in the utter abyss of hell and still sinking May the Holy Merciful One G d save us or soaring and aspiring towards the utmost holiness his entire survival and success is contingent on the words he pours out to G d The words are the paradigm of the soul their expression will be the soul s determination Outpouring of the Soul is the textbook for this and as such everyone should be very familiar with it and keep it handy at all times Rabbi Nachman of Breslov revealed that his entire enterprise is prayer Many of his teachings are dedicated exclusively to prayer and interspersed throughout the rest of his teachings are many more important fundamentals of prayer Outpouring of the Soul is a collection of all of these and as such it is one of the Breslov classics Outpouring of the Soul is a comprehensive compilation particularly addressing personal prayer First as an introduction the book presents the various instances of personal prayer which are written in the Bible and the Scriptures and then it follows with excerpts from the

Talmud and other early works of our Sages The main part of the book is a collection of all the teachings of Rabbi Nachman of Breslov intrinsic to prayer how to pray encouragement to pray and so forth Bringing down from the holy books Likutay Moharan Sefer Hamidos Character The Aleph Beth Book of Traits The Words of Our Leader Rabbi Nachman The Life of Our Leader Rabbi Nachman and from the holy books of Rabbi Nachman's chief disciple Rabbi Nussim including the holy book Likutay Aitzoas A collection of directives advice remedies the letters which are published under the name Ullim Li ti roo fa Leaves for Healing and Likutay Halachos The final section of the book is an abridged excerpt from Likutay Halachos which explains extensively the idea of taking holy teachings and ideas and making prayers for them As the name of the book already suggests it is a guide and a manual to help a person really unburden himself before the One Holy Merciful G-d and to be able to overcome all adversity and hardship even in the most dire circumstances may the Holy Merciful One spare us one can prevail and rise above with the help of these wondrous awesome advice remedies and directives presented simply and understandably in this holy book One should familiarize himself with the entire book and keep it handy especially when things are tough G F Very great effort was made in the translation of this book to ensure that the most accurate and loyal word choice was provided This book also includes the entire book Rabbi Nachman of Breslov Who He Was and What He Said which is available separately by itself as well This book has around 100 teachings of Rabbi Nachman and a transliteration of the Tikun Haklali General Comprehensive Rectification as well as an English translation of The Short Prayer which many say daily especially after the recital of the Tikun Haklali May we merit to fully utilize the powerful constructs and techniques brought down in this holy book Na Nach Nachma Nachman MeUman

Parables Mette Birkedal Bruun, 2007 This study is concerned with the topographical layout of Bernard of Clairvaux's Parables It examines his treatment of such locations as Paradise Egypt and the bridegroom's chamber and his reformulation of central monastic issues as navigations within spiritual landscapes

Ezekiel John W. Olley, 2009 This work is the first major commentary to focus on the text of LXX Ezekiel in any modern language Rather than seeing LXX mainly as a text critical resource with variants to be explained this commentary as part of the Septuagint Commentary Series examines a specific manuscript in its own right as a document used by Greek readers unfamiliar with Hebrew Included are transcription and English translation of Codex Vaticanus the oldest extant manuscript of the whole book and a detailed commentary that also compares the earlier P967 and the Masoretic Text where they differ Another major new contribution is the utilisation of the sense delimitation paragraphs of Codex Vaticanus itself exploring how this influences reading of the text
