Strange Cults:

Strange Cults and Secret Societies of Modern London Elliott O'Donnell, 1935 *Cults* James R. Lewis, 2014-09-11 *Cults* examines the history and current status of cults across the United States Europe and East Asia Focusing on the principal controversial religions and movements that have attracted major media attention the book also includes profiles of hundreds of minority religions from Jesus People and Rastafarians to voodoo practitioners and the human cloning Raelians All the issues central to the practice and the fear of cults are examined apocalypticism deprogramming social isolation cults and the media the use and threat of violence child custody libel tax evasion solicitation and the techniques of persuasion and conviction as are the many charismatic cult leaders *Cults* presents a comprehensive and authoritative reference offering a balanced view of the controversy surrounding these new religious movements assessing the movements themselves as well as the legal and governmental responses to them including attempts to quantify membership **Sects, Cults, and Spiritual Communities** Marc Petrowsky, William W. Zellner, 1998-06-30 American society is culturally diverse with a variety of religious denominations sects cults and self help groups vying for members This volume analyzes nine of these groups chosen both for their intrinsic interest and because they illustrate a variety of sociological concepts The groups included in this study are Heaven s Gate Jesus People USA the Love Family The Farm Amish Women Scientology El Ni o Fidencio Santera and Freedom Park The contributors are social scientists with first hand knowledge of the groups they examine

Connecticut Federal Writers' Project, 1938 **Modern Religious Cults and Movements** Gaius Glenn Atkins, 1923

Unsafe Sects Roger E. Olson, 2023-08-29 For some decades American and other culture has been obsessed with cults But what does cult mean How should a religious group be identified as a cult Who joins cults and why These and other questions are answered in this book It provides a basic introduction to cults unsafe sects especially from an orthodox Christian perspective Here readers will also find accounts of the author s personal experiences of cults **True Sex** Emily Skidmore, 2021-02-09 A fascinating humanizing look into the lives of trans men at the turn of the 20th century *Library Journal* In 1883 Frank Dubois gained national attention for his life in Waupun Wisconsin There he was known as a hard working man married to a young woman named Gertrude Fuller What drew national attention to his seemingly unremarkable life was that he was revealed to be anatomically female Dubois fit so well within the small community that the townspeople only discovered his true sex when his former husband and their two children arrived in the town searching in desperation for their departed wife and mother In *True Sex* Emily Skidmore uncovers the stories of eighteen trans men who lived in the United States between 1876 and 1936 Their stories are surprising and moving challenging much of what we think we know about queer history By tracing the narratives surrounding the moments of discovery in these communities this book challenges the assumption that the full story of modern American sexuality is told by cosmopolitan radicals Rather *True Sex* reveals complex narratives concerning rural geography and community persecution and tolerance and how these factors intersect with the

history of race identity and sexuality in America Skidmore provides well drawn and sympathetic profiles of the compelling trans men considered offers a critical assessment of the press of the day and how it helped foster a new morality and engages in an ongoing critique of LGBT scholarship New York Journal of Books This brilliantly written and meticulously researched book should be part of all university gender curriculums The Washington Book Review *Encyclopedic Handbook of Cults in America* J. Gordon Melton,1992 First Published in 1993 Routledge is an imprint of Taylor Francis an informa company

The Cult C.R. Jacobs,2015-05-15 Years ago I decided to try my hand at writing which resulted in a plethora of novels Incomprehensible to the likes of all beginning novelists This body of work shows that even a person with no formal education nor the intro to the trade can accomplish the achievement of having a book published I hope that you will see the basis of my writing comes from the knowledge of life and not from mass media I had no idea the gift was in my hands but here we are the finished work of a high school graduatewith one class in creative writing that produced 13 novels which I hope to have all published one day Please follow the incredible journey to its finish to show that the hopes and dreams of an inspired writer can come true **The Kingdom of the Cults** Walter Martin,Ravi Zacharias,2003-10 Newly updated this definitive reference work on major cult systems is the gold standard text on cults with nearly a million copies sold
