Stranger By Albert Camus:

The Stranger Albert Camus, 2012-08-08 With the intrigue of a psychological thriller *The Stranger* Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach With an Introduction by Peter Dunwoodie translated by Matthew Ward Behind the subterfuge Camus explores what he termed the nakedness of man faced with the absurd and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth century life *The Stranger* is a strikingly modern text and Matthew Ward's translation will enable readers to appreciate why Camus's stoical anti hero and devious narrator remains one of the key expressions of a postwar Western malaise and one of the cleverest exponents of a literature of ambiguity from the Introduction by Peter Dunwoodie First published in 1946 now in translation by Matthew Ward **THE Stranger** ALBERT CAMUS, 1942 **The Stranger (Novel)** Albert Camus, 2016-04-19 is a novel by Albert Camus published in 1942 Its theme and outlook are often cited as exemplars of Camus's philosophy of the absurd and existentialism though Camus personally rejected the latter label **The Stranger (English Edition)** Albert Camus, 2016-02-20 *The Outsider* or *The Stranger* French *L'Etranger* is a novel by Albert Camus published in 1942 Its theme and outlook are often cited as exemplars of Camus's philosophy of the absurd and existentialism though Camus personally rejected the latter label The titular character is Meursault an indifferent French Algerian a citizen of France domiciled in North Africa a man of the Mediterranean an *homme du midi* yet one who hardly partakes of the traditional Mediterranean culture who after attending his mother's funeral apathetically kills an Arab man whom he recognises in French Algiers The story is divided into two parts presenting Meursault's first person narrative view before and after the murder respectively In January 1955 Camus wrote I summarized *The Stranger* a long time ago with a remark I admit was highly paradoxical In our society any man who does not weep at his mother's funeral runs the risk of being sentenced to death I only meant that the hero of my book is condemned because he does not play the game **Camus: The Stranger** Patrick McCarthy, 2004-01-19 Publisher Description *The Stranger* Albert Camus, 1989-01 An ordinary man is unwittingly caught up in a senseless murder in Algeria **The Stranger** Albert Camus Albert Camus, 2021-12-29 *The Stranger* Albert Camus The day his mother dies Meursault notices that it is very hot on the bus that is taking him from Algiers to the retirement home where his mother lived so hot that he falls asleep Later while waiting for the wake to begin the harsh electric lights in the room make him extremely uncomfortable so he gratefully accepts the coffee the caretaker offers him and smokes a cigarette The same burning sun that so oppresses him during the funeral walk will once again blind the calm reserved Meursault as he walks along a deserted beach a few days later leading him to commit an irreparable act This new edition of Camus's classic novel *The Stranger* portrays an enigmatic man who commits a senseless crime and then calmly and apparently indifferently sits through his trial and hears himself condemned to death **The Stranger by Albert Camus** Albert Camus, 1942 *The Stranger* French *L'etranger* also published in English as *The Outsider* is a 1942 novella by

French author Albert Camus Its theme and outlook are often cited as examples of Camus philosophy absurdism coupled with existentialism though Camus personally rejected the latter label The title character is Meursault an indifferent French settler in Algeria described as a citizen of France domiciled in North Africa a man of the Mediterranean an homme du midi yet one who hardly partakes of the traditional Mediterranean culture Weeks after his mother s funeral he kills an Arab man in French Algiers who was involved in a conflict with one of Meursault s neighbors Meursault is tried and sentenced to death The story is divided into two parts presenting Meursault s first person narrative view before and after the murder respectively Meursault learns of the death of his mother who has been living in an old age home in the country He takes time off from work to attend her funeral but he shows no signs of grief or mourning that the people around him expect from someone in his situation When asked if he wishes to view her body he declines and he smokes and drinks regular white coffee not the obligatory black coffee at the vigil held by his mother s coffin the night before the burial Most of his comments to the reader at this time are about his observations of the aged attendees at the vigil and funeral which takes place on an unbearably hot day Back in Algiers Meursault encounters Marie a former secretary of his firm The two become re acquainted swim together watch a comedy film and begin to have an intimate relationship All of this happens on the day after his mother s funeral Over the next few days Meursault helps Raymond Sint s a neighbor and friend who is rumored to be a pimp but says he works in a warehouse to get revenge on a Moorish girlfriend he suspects has been accepting gifts and money from another man Raymond asks Meursault to write a letter inviting the girl over to Raymond s apartment solely so that he can have sex with her and then spit in her face and throw her out While he listens to Raymond Meursault is characteristically unfazed by any feelings of empathy so he does not express concern that Raymond s girlfriend would be emotionally hurt by this plan and agrees to write the letter In general Meursault considers other people either interesting or annoying or feels nothing for them at all Raymond s girlfriend visits him on a Sunday morning and the police get involved when he beats her for slapping him after he tries to kick her out He asks Meursault to testify that the girlfriend had been unfaithful when he is called to the police station to which Meursault agrees Ultimately Raymond is let off with a warning

The Stranger - Albert Camus
 Harold Bloom,2009 The condition of man is revealed as absurd in Camus s short novel Albert Camus's The Stranger Peter Francev,2014-06-26 Often marginalised on the sidelines of both philosophy and literature the works of Albert Camus have in recent years undergone a renaissance While most readers in either discipline claim Camus and his works to be theirs the scholars presented in this volume tend to see him and his works in both philosophy and literature This volume is a collection of critical essays by an international menagerie of Camus experts who despite their interpretive differences see Camus through both lenses For them he is a novelist essayist who embodies a philosophy that was never fully developed due to his brief life The essays here examine Camus s first published novel The Stranger from a variety of critical and theoretical perspectives each drawing on the author s knowledge to present the first known critical examination in English As such this

volume will shed new light on previous scholarship
