THE MAKER'S NAME Seamus McKenna,2024-06-01 A literary historical Irish family saga fiction piece for grownups Lucid engaging prose covering half a century of a provincial Irish business family which could be microcosmic of the nation from a first time author The Considine brothers Rudi and Gus are at war Their father Malachi has died in a freak accident But are there actually such things as freak accidents When Rudi attempts to grab Gus s inheritance there s a real prospect of human blood appearing on the Hawthorne Meats slaughterhouse floor Enter Cosgrave a solicitor with expensive tastes and Toomarood the banker with an eye to making money outside of his day job Mix in the free energy device after experts have stated that the promoters are suffering from long term severe self delusion Does this all make up a catastrophe waiting to happen How will Gus s childhood friend Raymond Quinn his partner Kaarina and their children be able to deal with him being placed under an exit ban in China because of his part in a pyramid scheme that has defrauded Chinese small investors Is Gus really the nice guy everyone thinks he is His activities as a celebrity butcher might suggest otherwise Does Rudi go too far by defrauding Quinn senior and his business partner through the use of a shadow company Is Rudi capable of murder And Rudi s wife Penny whose side is she on Treachery hangs over this story of the pressures and tensions both personal and commercial of Celtic Tiger era Ireland especially when that edifice is destroyed in the Global Financial Crisis of 2008 For Rudi the payback from Gus and Raymond is severe indeed ENDS The Maker's Instructions David Pawson,2014-01-14 King Alfred is perhaps best remembered for allowing cakes to become burnt but he did something far more significant and of lasting value He used ten commandments given to the Jewish people centuries before as the foundation of English law He instinctively knew they contained the recipe for a safe and successful society The secret they all contain is respect Respect for God first for his uniqueness his nature his name his special day then respect for each other our families life itself marriage property and reputation Churches have urged members to memorise the Ten Commandments along with the Lord s Prayer and the Apostles Creed often putting all three up on the wall as summaries of the Christian faith and life as well as using them in worship But how can principles laid down so long ago and so far away be relevant to contemporary society Well as one New Testament translator J B Phillips puts it By the straight edge of God s law we find out how crooked we are Only after this discovery are we ready to consider the gospel of Jesus The Cross Maker's Champion Jack A. Taylor,2020-01-31 Persian slaves who fight for their lives in gladiator arenas rarely rise to be anyone s champion But the wounded Nabonidus is soon wooed by two women a priestess at the Temple of Artemis and a humble follower of Yeshua Daphne Soon he must learn the truth about himself is he a missing Persian prince or simply an unwanted orphan The arena

claims whatever soul may venture there and Demetrius a silversmith joins forces with a giant German giant gladiator Selsus to confront the followers of the Way Meanwhile Caleb Suzanna Titius and Abigail fight through their own life threatening challenges to join the apostle John and Nabonidus in time Soon the arena will be packed with chanting patrons Who will still remain standing when the final blood is spilt Jack A Taylor weaves his readers through a maze of Ephesian mysticism and terror as Roman and pagan powers combine to destroy the infant movement of the Way before it takes its first steps out of its birthplace
