Amazing Jaredites George Potter, 2023-07-10 There shall be none greater than the nation which I will raise up unto me of thy seed upon all the face of the earth Ether 1 43 The brief account of the Jaredite history is recorded in the book of Ether It is a history of over two thousand years yet was abridged into only a few pages Where would one even begin to unlock their historical footprints Now after more than fifteen years of research the esteemed Book of Mormon explorer George Potter answers this question and many others in his remarkable new book Discovering the Amazing Jaredites Using full color photos maps and illustrations Potter retraces the Jaredites lonely journey from the Tower of Babel to the promised land Discovering the Amazing Jaredites is the result of the author s tireless exploration of the dusty trails of Arabia s outback It is the stunning account of a mighty people who in faith braved the harsh wilderness and crossed the vast ocean for the right to worship their God in peace Their story will inspire and awe you the account of a truly amazing people *Jaredites & Manassites* Robert F. Smith, 2022-12-28 This book explores the literate and advanced cultures of two very separate groups in the Book of Mormon 1 the Jaredites described in the book of Ether and 2 the members of tribal Manasseh who dominate the remainder of the Book of Mormon The first group flourished during the millennia before the arrival of the second group in a nearby area and became extinct as a civilization not long after the arrival of that second group Within the New World only one complex

culture arose which was literate built great cities and had a large population namely the Olmec of southern Mexico the mother culture of the five subsequent advanced cultures of Mesoamerica This book demonstrates how the Mesopotamian Jaredites brought with them a Sumero Akkadian culture to the New World The linguistics of Sumero Akkadian are not only found systematically within the Jaredite onomasticon but a comparison of Sumero Akkadian with reconstructed ancient Olmec Proto Mixe Zoque strongly suggests the ultimate origin of that people in Mesopotamia at least 5 thousand years ago In the second section of the book an offshoot of tribal Manasseh Clan Lehi demonstrates its pervasive influence through an onomasticon almost exclusively showing derivation from Manassite names known from the Bible and archeology and which are collocated geographically with each other and with a set of names known biblically to be associated with transjordanian tribes and southern areas such as Midian where Clan Lehi first goes to make good its escape from Judah

The Jaredites Mark E. Petersen, 1984-01-01 *Mormon's Clues* James Warr, 2006-03 This book is a must for the serious student of Book of Mormon geography Written with an outside the box approach it takes a new look at the subject and proposes new locations based upon the clues given by the book s prophets The author reasons that the primary clue would be the narrow neck of land and proposes a location for that landmark The remaining lands and cities are then located working out from this key point Proposals for the Jaredite lands are also made and the Jaredite and Nephite cultures compared and contrasted The important topics of distance direction and populations are discussed in a straight forward manner Where possible

archeological sites are identified and correlated with the proposed geography A location for the Hill Cumorah is suggested and a novel method proposed for proving Book of Mormon sites The work is appropriately illustrated with helpful maps and charts A discussion of the various theories regarding Book of Mormon lands is also included **What The Prophet Ether Couldn't Tell Us: Book 2 of 3** Jim Hendleman,2021-04-13 BACK COVER The sequel to the Jaredite s Civilization What the Prophet Ether couldn t Tell Us is finally out Book III to shortly follow Book II tells of the life and times of the Jaredites the greatest civilization to have ever lived on Planet Earth It details their earliest beginnings and enumerates some of their many achievements and accomplishments It is first mentioned within the Book of Mormon in Ether 1 42 44 Ether was later directed by God to remove everything about them save for their earliest beginnings at the Tower of Babel in Iraq and a few brief tales of their spiritual trials and wars up to their final Civil War Mainstream Archaeology refuses to address this civilization because it would reveal Archaeology s canards about evolution and their false narrative about the Origin of Man The Jaredites settled and colonized South and North America Lemuria Antarctica The British Isles and most of western Europe plus the lands of China and India For nearly 2 530 years they maintained a world wide civilization My research has uncovered many details of Jaredite life and their physical characteristics that the prophet Ether was not allowed to tell us They built all of Egypt Their Hindu colony fought at least two internal nuclear wars They colonized throughout our entire Solar System most moons and all the planets have their cities mainly covered by 7 mile high glass domes except Jupiter and Saturn These two planets each have possible Star War size moons that could be artificial space stations Mars used to be a moon to its now exploded primary which is now the Asteroid Belt Their Martian cities are so immense that New York City and Shanghai combined wouldn t be considered a nickel in a handful of change in comparison to them Jaredite leftovers are all over Earth if one knows when to look for them Book III details a few of their many wars as well as their final Civil War the first year or two which were nuclear Through their longevity they were able to develop their physics to the point to where they could control the weather as well as to weaponize its component parts And their final long prophesied death
