The Jesuits, Their Spiritual Doctrine and Practice Joseph de Guibert (S.J.),1964 The Jesuits, Their Spiritual Doctrine and Practice Joseph de Guibert,1972 **The Jesuits: Their Spiritual Doctrine and Practice** J. de Guibert,1972 **The Jesuits** J. de Guibert,George Edward GANSS,William J. YOUNG (S.J.),1972 *The Jesuits: Their Spiritual Doctrine and Practice; a Historical Study. William J. Young, Translator. George E. Ganss, Editor* Joseph de Guibert,1964 **The Jesuits: Their Spiritual Doctrine and Practice** Joseph de Guibert,1964 **Spiritual Exercises Reclaimed, 2nd Edition, The** Liebert, Elizabeth,Paulin-Campbell, Annemarie,2022 This companion to the Spiritual Exercises in an anniversary edition does justice to women s experience across contexts and social locations While acknowledging obstacles that the Exercises hold for women in various contexts the authors provide fresh interpretations of every aspect of this spiritual classic They bring together feminist consciousness a broad knowledge of psychology and theology and the compassionate insight of experienced spiritual guides The situation of women making and giving the Spiritual Exercises has changed radically in the past two decades since the publication of the previous edition which highlights the variety women s experience of the Spiritual Exercises from different cultural contexts It also draws from new and younger women s voices thus extending the reach of the original text to another generation over wider geographic and cultural spread The revised book opens up new ways in which the Exercises may offer liberating possibilities for women world wide Ignatian Spirituality in a Secular Age George Schner,2006-01-01 While the textual focus of this collection of essays is the Spiritual Exercise of Ignatius of Loyola the essays are much more than textual analyses they deal with the tradition and institutions associated with Ignatian spirituality with historical and philosophical perspectives on Ignatian spirituality with the contemporary search for spiritual life In addition the question of the relationship of the contemporary believer to past events is addressed as well as the question of the relationship between spirituality and ministry The strong and effective combination of historical and contemporary concerns as well as of textual and spiritual concerns results in a volume of importance to students of religious history and of spirituality The analysis of the Exercises and the discussion of spiritual direction will also be of great value to ministers and pastors and to all those pursuing spiritual life in a secular age *Catholicism* John T. McGreevy,2022-09-06 A magisterial history of the centuries long conflict between progress and tradition in the world s largest international institution The story of Roman Catholicism has never followed a singular path In no time period has this been more true than over the last two centuries Beginning with the French Revolution extending to the Second Vatican Council in the 1960s and concluding with present day crises John T McGreevy chronicles the dramatic upheavals and internal divisions shaping the most multicultural multilingual and global institution in the world Through powerful individual stories and sweeping birds eye views Catholicism provides a mesmerizing assessment of the Church s complex role in modern history both shaper and follower of the politics of nation states both conservator of hierarchies and evangelizer of egalitarianism McGreevy documents the hopes and

ambitions of European missionaries building churches and schools in all corners of the world African Catholics fighting for political and religious independence Latin American Catholics attracted to a theology of liberation and Polish and South Korean Catholics demanding democratic governments He includes a vast cast of riveting characters known and unknown including the Mexican revolutionary Fr Servando Teresa de Mier Daniel O Connell hero of Irish emancipation Sr Josephine Bakhita a formerly enslaved Sudanese nun Chinese statesman Ma Xiaobang French philosopher and reformer Jacques Maritain German Jewish philosopher and convert Edith Stein John Paul II Polish pope and opponent of communism Gustavo Guti rrez Peruvian founder of liberation theology and French American patron of modern art Dominique de Menil Throughout this essential volume McGreevy details currents of reform within the Church as well as movements protective of traditional customs and beliefs Conflicts with political leaders and a devotional revival in the nineteenth century the experiences of decolonization after World War II and the Second Vatican Council in the twentieth century and the trauma of clerical sexual abuse in the twenty first all demonstrate how religion shapes our modern world Finally McGreevy addresses the challenges faced by Pope Francis as he struggles to unite the over one billion members of the world s largest religious community

Propaganda and the Jesuit Baroque Evonne Levy, 2004-04-14 This is a subtle intelligent and deeply learned recasting of a whole range of issues central to art history the place of the Baroque in the construction of modern art histories the peculiar aesthetics of propaganda as a distinctively institutional mobilizing of images and forms the role of the Jesuits in constructing and then deconstructing the relation of architectural style and ideology Evonne Levy s careful readings of key monuments in the Catholic Baroque shed light not only on those works but on the whole evolution of art historical understanding and misunderstanding that has made the Baroque so central and problematic for the discipline of art history W J T Mitchell editor of *Critical Inquiry* and author of *Iconology* and *Picture Theory* One of the most original and provocative books in the field of Baroque studies to emerge in the last twenty years *Propaganda and the Jesuit Baroque* at once presents a wealth of new materials and radically rethinks what has long been known about the Jesuit Order as a patron of the arts Through the lens of propaganda Evonne Levy illuminates her subject in an unprecedented way Steven F Ostrow author of *Art and Spirituality in Counter Reformation Rome*
