The World of the Jinn and Devils Dr. Umar Sulaiman al-Ashqar, Jinns - The Creatures of Fire Dr. Iftekhhar Ahmed Shams, 2023-02-15 Jinns The Creatures of Fire This book is about these mysterious creatures that Allah created from fire and gave strange powers They can change their appearance take the form of people fly to heaven and not only take control of the human body but also run through their bodies like blood A person from the species of jinn is Iblis who at one time attained such greatness that he had the honor of worshipping with the angels but as a result of his jealousy of man he refused to prostrate Adam and was rejected and thrown out of grace in the Divine Court Then he vowed that he would lead humankind astray forever Now he and his progeny are devoting all their talents to this work This book tells us about both kinds of jinns The average jinns are either Muslim or non Muslim and those who are part of the army of Iblis Satan The book tells us about the history of the realm of jinns and how they came into being It also tells us some fascinating tales of the interaction of humans with jinns throughout history It also tells us how Satan and his disciples use different tactics to mislead humans and lead them to doom and hell Hopefully this book will provide great insight to the readers about the relatively obscure topic of jinns and their history
