The Johannine Problem In Regards To The Gospels:

The Problem of Blasphemy: The Fourth Gospel and Early Jewish Understandings Jerry D. Truex, 2010-11-11 This doctoral thesis provides evidence that during the later part of the first century certain Jewish Christians who produced and propagated the Fourth Gospel were perceived to be blasphemous and therefore cut off kareit from the synagogue as reflected in John 9 22 12 42 and 16 2 This study reviews recent research on blasphemy offers analysis based on hundreds of ancient Jewish texts and examines seven Jewish traditions pertaining to blasphemy including cursing God naming The Name and sinning with a high hand A composite portrait of blasphemy is sketched and compared with the theological claims of the Fourth Gospel Three theological claims of the Fourth Gospel stand out as potentially blasphemous Jesus is equal with God Jesus and the Johannine Community constitute the New Temple and Judean religious leaders are not of God The perception of blasphemy and the inability to tolerate it explains why some Jewish Christians could not remain in the synagogue The Gospel and Letters of John, Volume 1 Urban C. von Wahlde, 2010-11-22 Urban von Wahlde s radically new three volume commentary on the Gospel and Letters of John is the most detailed study of the composition of the Johannine literature ever put forth by an American scholar Nearly all of the problems confronted by those who study John have to do with the literary strata of the Gospel of John and their relation to the composition of the Letters of John With an archaeologist s precision and engaging a whole range of scholarly contributions in this area von Wahlde digs down to the foundations and exposes three distinct literary strata in the development of the Johannine tradition Volume 1 gives detailed evidence identifying and listing the criteria for each stratum Volumes 2 and 3 apply those criteria to the Gospel and Letters of John respectively **The Present Problems of New Testament Study** William Bancroft Hill, 1903 **Theology of the New Testament** Georg Strecker, 2012-10-25 Contents are the theological conceptions of the authors of the New Testament considered from systematic viewpoints in the following sequence Paul the synoptics Jesus the saying source the Johannine literature including the Apocalypse of John the deutero Pauline writings the catholic epistles **Anti-Judaism and the Gospels** William R. Farmer, 1999-07-01 When and under what circumstances did the Gospel texts begin to serve anti Jewish ends Can it be said accurately and fairly that the evangelists were anti Jewish Are there tendencies in the Gospels that were originally intended by the evangelists to injure the Jewish people or their religion or to work against the interests of the Jewish people and or their religion These and other issues were addressed in a three year research project that culminated in a fall 1996 convocation at which five major research papers were presented with two respondents to each paper The papers and responses are now made available for the first time in this volume Major presentations include Anti Judaism and the Gospel of Matthew Amy Jill Levine Anti Judaism and the Gospel of Luke Daryl D Schmidt Anti Judaism and the Gospel of John David Regensberger Something Greater than the Temple Robert Louis Wilken Anti Judaism in the Critical Study of the Gospels Joseph B Tyson Reflections on Anti Judaism in the New Testament and in Christianity E P Sanders This book succeeds in

giving a comprehensive view of the problem it addresses and the papers are clear forthright presentations that will help the reader see what the issues were when the Gospels were written and what they still are E P Sanders Duke University William R Farmer is Professor of New Testament at the University of Dallas and co editor of Jesus and the Suffering Servant Isaiah 53 and Christian Origins Trinity 1998 **The Gospels as Historical Documents ...: The fourth Gospel. 1920** Vincent Henry Stanton,1920 **The Cultic Setting of Realized Eschatology in Early Christianity** David Edward Aune,2014-04-09 **The Christology of the Fourth Gospel** Paul N. Anderson,1996 The Composition and Order of the Fourth Gospel Dwight Moody Smith,2015-12-01 In The Composition and Order of the Fourth Gospel D Moody Smith engages the masterful commentary on John by Rudolf Bultmann evaluating critically his views of John s sources order redaction and meaning A book every bit as helpful for understanding Bultmann s work as the work itself this book is now made accessible in paperback form fifty years after its original publication Introduced admirably with a new foreword by the author s former doctoral student R Alan Culpepper the printing of this monograph makes for essential reading in Johannine studies and New Testament studies overall The Composition of John's Gospel David E. Orton,2024-01-08 Readers of the Fourth Gospel have always been moved to the use of superlatives in its exposition The most fascinating of the Gospels in so many ways has been the subject of enquiry by many of the best minds in biblical scholarship in the past decades and this is amply illustrated in the pages of Novum Testamentum This selection of essays on John presents a tapestry of critical insights into the origins and composition of the Gospel from the hands of many of the world s leading Johannine scholars writing since the Second World War A number of these articles have been seminal for a generation of scholarship in the field Taken together they constitute a treasury of insights and a representative grounding in the critical study of the Gospel since Bultmann
