both body and mind Moreover the soul may also need amelioration at times and teachings of a higher order are in store for that end As one Christian mystic was reported to have said If you knew the purpose and benefit of your suffering you would not ask that it be taken away leading us to conclude that suffering plays a role in both neutralizing the effects created by us on the field of action and weaning us off of all of its causes so that we strive for higher existence Faith Over Fear Lydia Carmichael, 2025-08-31 Fear may whisper lies but God's truth is louder Faith Over Fear is a year long devotional that empowers you to replace anxious thoughts with divine peace one week at a time Through 52 powerful lessons rooted in Scripture you'll learn how to quiet your restless mind release control and walk in unshakable faith Each week offers a guiding Bible verse a short but moving devotional space for journaling and a prayer to help you surrender your struggles to God Instead of overwhelming daily requirements this simple weekly rhythm creates lasting transformation without pressure Whether you battle constant overthinking midnight stress or daily uncertainty this devotional invites you into God's presence with grace not guilt Perfect for individuals or group study Faith Over Fear is more than a devotional it's a spiritual lifeline If you're ready to trade panic for peace worry for worship and fear for faith your journey begins here Take it one week at a time Let God's promises still the storm within you
