The Journeys Of St Paul:

The Journeys of St. Paul Stewart Perowne, 1973 **In the Footsteps of Paul** Ken Duncan, 2009-03-16 Follow a trailblazer's path and see for yourself all the places that Paul visited Paul's missionary journeys are much more than mere dotted lines on rough maps at the back of your Bible His travels changed the world and when you too follow In the Footsteps of Paul you'll experience those amazing journeys more powerfully than ever The lens of renowned photographer Ken Duncan traces everywhere Paul is known to have traveled Ken's stunning photos combined with Scripture and writings from noted authors creates an exciting platform for experiencing the life and times of one of the apostles who introduced Jesus to the Roman world and beyond Narratives of St. Paul's Missionary Journeys and Rome Del Mueller, 2012-11-20 Have you ever wondered what it would be like to accompany St Paul as he declared the Good News of salvation to thousands who lived in the Mediterranean region Imagine your satisfaction when the council in Jerusalem mandates limited obligation to the Mosaic Law and your frustration when the message of this freedom results in defamation and threats of death Rejoice with Paul as the Roman Consul Gallio declares he is free to teach Jesus as Messiah Follow Paul into the Antonia Fortress when assaulted by enraged Jews Listen to his defense before Felix and Festus Endure a life threatening shipwreck and imprisonment in Rome Finally stand by him as he approaches his last days as prisoner under Nero and his death a victorious transition from a sainted physical life to a blessed and eternal spiritual life Del Mueller takes readers into the thoughts and hearts of the key witnesses to Paul's missionary journeys He writes a first person account that provides readers with a unique historical perspective on the stories as they really could have happened Narratives of St Paul's Missionary Journeys and Rome will personalize the post resurrection events that altered the world and show readers the humanness of those who were changed because of Paul's message The Journeys of St. Paul James Harpur, Marcus Braybrooke, 1997 Provides spiritual insight and historical context for the events of Paul's life *In the Steps of Saint Paul* Peter Walker, 2018-08-24 In this highly engaging book Peter Walker uses his expertise in Biblical studies and his extensive experience of leading tours around the Mediterranean to bring the world of Saint Paul vividly to life Following Luke's account in the Book of Acts and using evidence from Paul's own letters he reconstructs the apostle's wide ranging travels and describes the many places Paul visited as we encounter them today In doing so he helps us to appreciate the issues that Paul confronted and to understand the motivation that drove him on Enriched with boxed features outlining key timelines and topics and supplemented with maps and street plans this book is an ideal introduction to Paul and his travels for scholars at all levels of study The Life, Times, and Travels of St. Paul William John Conybeare, John Saul Howson, 1869 *Journeys of the Apostle Paul* Craig S. Keener, 2020 Follow the Life and Ministry of Christianity's Leading Missionary The Apostle Paul is one of the most important figures in the early church He is a main character in the narrative woven through the book of Acts and his thirteen letters make up a significant portion of the New Testament canon Because Acts and his letters appear as discrete books in Scripture it can be

difficult to piece together a clear narrative for Paul's life and ministry In *Journeys of the Apostle Paul* 20 contributors present a coherent picture of Paul's life connecting the events in Acts to his letters and theological teaching With beautifully rendered maps and timelines this book takes readers through the Acts narratives of Paul's journeys step by step his interrupted journey to Damascus while persecuting Christians his three missionary journeys and his long journey from Jerusalem to Rome Along the way you'll discover new insights into his life his teaching and his role in the early church On the journeys and epistles of the apostle Paul Samuel Sharpe, 1880 **The Journeys of St. Paul**, 1984 Retells the Bible story of Paul who was converted to Christianity by a miracle on the road to Damascus The Life and Travels of St. Paul. With Descriptions of the Cities and Towns Visited by the Apostle. For the Use of Training Colleges, Etc Walter MACLEOD (of the Royal Military Asylum, Chelsea.), 1861
