Peter Damian Fehlner

The Keen Delight The Christian Poet In The Modern World:

The Keen Delight Harold L. Weatherby, 1975-01-01 *The Vision of the Soul* James Matthew Wilson, 2017-06-12 For those for whom conservatism means something more than anti liberalism who wish to dive deep into the conservative tradition in search of pearls The American Conservative Ours is an age full of desires but impoverished in its understanding of where those desires lead an age that asserts mastery over the world but also claims to find the world as a whole absurd or unintelligible In *The Vision of the Soul* James Matthew Wilson seeks to conserve the great insights of the western tradition by giving us a new account of them responsive to modern discontents The western or Christian Platonist tradition he argues tells us that man is an intellectual animal born to pursue the good to know the true and to contemplate all things in beauty By turns a study in fundamental ontology aesthetics and political philosophy Wilson s book invites its readers to a renewal of the West s intellectual tradition Conservatism needs a new prophet James Matthew Wilson is the man for the job and *The Vision of the Soul* is his calling card A new classic For it we give thanks to God and to Plato Covenant James Wilson s important book returns to a conservatism in the tradition of Burke Eliot and Russell Kirk He wants us to focus on beauty and its place in Western culture The book is a strong defense of that culture but not an unthinking one Crisis Magazine A stirring and timely account and defense of the West s traditional way of understanding the universe and our place in it Matthew M Robare The Kirk Center **Gerard Manley Hopkins and Tractarian Poetry** Margaret Johnson, 2016-12-05 Gerard Manley Hopkins and Tractarian Poetry for the first time locates Hopkins and his work within the vital aesthetic and religious cultures of his youth It introduces some of the most powerful cultural influences on his poetry as well as some of the most influential poets from the well known fellow convert John Henry Newman to the almost forgotten historian and poet Richard Dixon From within the context of Hopkins developing catholic sensibilities it assesses the impact of and his responses to issues of the time which related to his own religious and aesthetic perceptions and provides a rich and intricate background against which to view both his early often neglected poetry and the justly famous idiosyncratic and deeply moving verse of his mature years By detailing the influences Tractarian poetry had upon Hopkins early work and applying these to the productions of his later years Gerard Manley Hopkins and Tractarian Poetry demonstrates how Hopkins best known mature works evolved from his upbringing in the Church of England and remained always indebted to this early culture It offers readings of his works in light of a new appraisal of the contexts from which Hopkins himself grew providing a fresh approach to this most challenging and rewarding of poets **Inspirations Unbidden** Daniel A. Harris, 2024-03-29 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1982

Bonaventure, John Duns Scotus, and the Franciscan Tradition Peter Damian Fehlner, 2023-09-07 In this fourth

volume of Collected Essays Bonaventure John Duns Scotus and the Franciscan Tradition Peter Damian Fehlner traces the development of the Franciscan theologies of redemption co redemption and the Immaculate Conception as they both flow from and return to a very concrete spirituality rooted in devotion to the persons of Jesus and Mary The main protagonists in these studies are the towering figures of Bonaventure and John Duns Scotus Framed within an ecclesiological and sacramental worldview shaped by the correlative and markedly Franciscan doctrines of the Absolute Primacy of Jesus and the Immaculate Conception Fehlner outlines the theological background and rationale for affirming Mary s co redemptive role in creation and salvation history In articulating this great vision of the church Fehlner discloses the Catholic and Franciscan understanding of Tradition and its progressive penetration and integration of doctrinal and devotional development into the life of the church For Fehlner Mary s co redemptive association with her Son and her union in charity with the Holy Spirit provides both the primary instance of and the hermeneutical key for prayerfully receiving and living the mysteries of our salvation

Marian Metaphysics Peter Damian Fehlner,2023-08-14 This first volume of Collected Essays presents Peter Damian Fehlner s later reflections on the unique role of the Blessed Virgin Mary in the place of God s eternal design for creation These essays explore personhood the divine missions and ecclesiology Framed within a Trinitarian vision and flowing out of fifty years of prayerful study of Scripture and the Tradition Fehlner deepens and extends the wisdom of his Franciscan theological forebears St Bonaventure Bl John Duns Scotus and St Maximilian Kolbe along with John Henry Newman in Trinitarian theology Christology Mariology and ecclesiology This vision is particularly relevant in today s theological and philosophical contexts shedding light on the joint work of the Son and Holy Spirit as they constitute and build up the body of Christ through salvation history The intimate relationship between Jesus and Mary in the Holy Spirit is clarified in these essays unveiling the true face of the church as mother teacher and bride Mary is exemplar and active associate with her Son as a member of his body Within this volume we discover our true nature and calling in Christ Fehlner shows us how salvation history and metaphysical theology meet in the church our mother a true Marian Metaphysics

Poetic Knowledge James S. Taylor,1998-01-01 Reveals the neglected mode of knowing and learning from Socrates to the middle ages and beyond that relies more on the integrated powers of sensory experience and intuition rather than on modern narrow scientific models of education

Bl. John Duns Scotus and His Mariology ,2009 Commemoration of the Seventh Centenary of His Death The hope of this Symposium is to set in relief the importance of the mystery of Mary in understanding the thought of Bl John Duns Scotus a mystery so much neglected by many students of Scotus today as in yesteryear Without that profound veneration of the Immaculate Virgin and an appreciation of her uniqueness as the Immaculate Conception the theology and metaphysics of Scotus will remain merely the abstruse delight of an elite academy and Mariology will be lacking its securest instrument of reflection

Religious Morality in John Henry Newman Gerard Magill,2014-09-24 This book is a systematic study of religious morality in the works of John Henry Newman 1801 1890 The work considers Newman s

widely discussed views on conscience and assent analyzing his understanding of moral law and its relation to the development of moral doctrine in Church tradition By integrating Newman s religious epistemology and theological method the author explores the hermeneutics of the imagination in moral decision making the imagination enables us to interpret complex reality in a practical manner to relate belief with action The analysis bridges philosophical and religious discourse discussing three related categories The first deals with Newman s commitment to truth and holiness whereby he connects the realm of doctrine with the realm of salvation The second category considers theoretical foundations of religious morality and the third category explores Newman s hermeneutics of the imagination to clarify his view of moral law moral conscience and Church tradition as practical foundations of religious morality The author explains how secular reason in moral discernment can elicit religious significance As a result Church tradition should develop doctrine and foster holiness by being receptive to emerging experiences and cultural change John Henry Newman was a highly controversial figure and his insightful writings continue to challenge and influence scholarship today This book is a significant contribution to that scholarship and the analysis and literature comprise a detailed research guide for graduates and scholars *Christ the Form of Beauty* Francesca Aran Murphy, 1995-03-04 Reveals the importance of the sacramental imagination as the key to the renewal of Christology and of modern Christian literature
