The Intimacy Jungle:

The Intimacy Jungle Terry Parsons (Ph.D., D.Min.),2000 **Landscapes of the Soul** Cyd Holsclaw, Geoff Holsclaw, PhD,2025-08-05 Does it feel like you experience life in a totally different way than others Like you are living somewhere else and you can't build connection or intimacy with God like others can There's a good chance that you like so many of us have tried it all read your Bible more gone to church more prayed more and delved deeper into self awareness But you still struggle with discontent anxiety avoidance and doubt You still feel stuck No matter where you find yourself emotionally relationally or spiritually Jesus meets you there and helps you move toward a place of peace and rest As pastors coaches and educators Cyd and Geoff Holsclaw are very familiar with this struggle and they are prepared to help In *Landscapes of the Soul* they draw on the science and spirituality of attachment theory biblical wisdom and the language of spiritual formation to show us why Christians tend to get stuck spiritually and how to get unstuck and move forward Whether you feel like you're living in a spiritual jungle desert or war zone you will discover how you are designed to grow good roots through healthy relational attachment how things go wrong through your often distorted survival strategies how God repairs your faith hope and love for Him others and ourselves how Jesus quiets your anxious and avoidant faith how to incorporate practices for building your security with God You aren't meant to live in the anxiety of a jungle the desolation of a desert or the chaos of a war zone God designed you to live in joy and peace in relationship with Him as if you are in a pasture under the protective care of the Good Shepherd *Pray Like Jesus* Don Underwood,2017-01-12 The Lord's Prayer is the most famous prayer in the world and is remarkably simple and brief In only 70 words Jesus covers the breadth of the Christian message and experience Most Christians already know it by heart and can easily recite it In fact that might be part of the problem it is so well known and easily recited that most of us never even think about the words as we rattle them off silently or in a corporate worship setting In *Pray Like Jesus* pastor and author Don Underwood reexamines the content of the Lord's Prayer and discovers within it insightful spiritual guidance for developing a rich devotional life At the end of each chapter he suggests ideas for making the prayer a part of daily spiritual disciplines Endorsements Don Underwood combines pastoral experience with biblical and theological insight to help us rediscover the Lord's Prayer and allow it to become a living reality in our lives James A Harnish author of *A Disciple's Path* *A Disciple's Heart* and *Living with the Mind of Christ* Don points out that the disciples asked Jesus to teach them to pray not after hearing the Master give a powerful sermon but after watching him pray They saw what prayer did for him and they wanted it too James W Moore author of *Yes Lord I Have Sinned but I Have Several Excellent Excuses* [The Philosophy of Spike Lee](#) Mark Conard,2011-07-22 Over his twenty plus year tenure in Hollywood Spike Lee has produced a number of controversial films that unapologetically confront sensitive social issues particularly those of race relations and discrimination Through his honest portrayals of life's social obstacles he challenges the public to reflect on the world's problems and divisions The innovative director created a name for himself with feature

films such as *Do the Right Thing* 1989 and *Malcolm X* 1992 and with documentaries such as *4 Little Girls* 1997 and *When the Levees Broke* 2006 breaking with Hollywood's reliance on cultural stereotypes to portray African Americans in a more realistic light. The director continues to produce poignant films that address some of modern society's most important historical movements and events. In *The Philosophy of Spike Lee* editor Mark T. Conard and an impressive list of contributors delve into the rich philosophy behind this filmmaker's extensive work. Not only do they analyze the major themes of race and discrimination that permeate Lee's productions but also examine other philosophical ideas that are found in his films: ideas such as the nature of time, transcendence, moral motivation, self-constitution, and justice. The authors specialize in a variety of academic disciplines that range from African American Studies to literary and cultural criticism and Philosophy.

Trajectories Kuan-Hsing Chen, 2005-10-05 *Trajectories* brings together cultural theorists not only from countries with a known historical critical tradition such as America, Canada, and Australia but from the East Asia locations of Hong Kong, Korea, Singapore, Taiwan, Philippines, India, and Thailand. It constitutes a critical confrontation between the imperial and colonial coordinates of north and south, east and west. Without rejecting the Anglo-American practices of cultural studies, the contributors present critical cultural studies as an internationalist and decolonized project. *Trajectories* links critical energies together and charts future directions of the discipline. The contributors discuss subjects such as Japanese colonial discourse, cultural studies out of Europe, Chinese nationalism in the context of global capitalism, white panic stories from East Timor, queer life in Taiwan, and new social movements in Korea. The book ends with an interview with Stuart Hall.

Her SEAL Protector Jillian Burns, 2016-07-19 Subject: Navy SEAL Clay HoundDog Bellamy. Mission: Rescue the lush, curvy civilian. And definitely don't give in to temptation. Even in her worst nightmare, Gabby Diaz never imagined a banking conference in Paraguay would end with her being kidnapped and ransomed before being rescued by a hard-muscled Navy SEAL. Now, despite lingering worries, she's home and safe again. Isn't she? Someone has Gabby in their deadly sights, and she needs her hotter-than-hot SEAL's help. But despite Clay Bellamy's guarded Navy demeanor, his hunger for Gabby is hard to control. He tells himself it's just the hero thing that they're worlds apart until a sizzling kiss flips both their worlds upside down. Now Clay's mission has been compromised in the wickedest way imaginable.

The Social Construction of Kidnapping Camilo Tamayo Gomez, 2025-08-15 Moving beyond simplistic and sensationalist portrayals of kidnapping, this book offers a critical and interdisciplinary analysis that examines kidnapping as a social, historical, cultural, and political phenomenon. Kidnapping is a profound violation of human rights that reshapes societies, disrupts governance, and inflicts lasting trauma on individuals and communities. In Colombia, kidnapping became an endemic feature of the armed conflict, leaving tens of thousands of families in a perpetual state of uncertainty and fear. Through an innovative blend of criminology, sociology, transitional justice, surveillance studies, and collective memory epistemologies, this book unpacks kidnapping as a crime of immobility, a strategy of war, and a serious human rights violation. Drawing on fifteen years of research, including statistical

analysis archival work and interviews with former hostages ex combatants and policymakers it reveals how kidnapping shaped Colombia's conflict and its ongoing efforts toward justice truth and reconciliation By exploring its patterns motivations and legacies this book not only sheds light on Colombia's experience but also contributes to global discussions on transitional justice collective memory and the strategies societies adopt to confront mass victimisation The Social Construction of Kidnapping is essential reading for scholars and students of criminology transitional justice human rights political violence and Latin American studies as well as policymakers human rights advocates and anyone seeking a deeper understanding of how societies confront legacies of mass victimisation and forge paths toward accountability and healing

PostNegritude Visual and Literary Culture Mark A. Reid, 1997-03-06 In the 1960s and 1970s the civil rights movement and other national and cultural movements fractured dominant paradigms of American identity and demanded a reformulation of American values and norms This book borrows the moral ethical and political purposes of these movements to show how film literature photography and television news broadcasts construct essentialist myths about race gender sexuality and nation It also examines how some visual and literary works and public reactions challenge these essentialist myths by exploring racial sexual and national anxieties Reid explains how artists such as filmmakers Julie Dash Spike Lee and Marlon Riggs photographers Rotimi Fani Kayode and Gordon Parks novelists John A Williams and Ayi Kwei Armah playwright Adrienne Kennedy and poet Bob Kaufman portray the fears of people in the grips of social and psychological change In each chapter he explores how an important social issue black feminism interracial intimacy biracial and homosexual identity and black erotica for example is presented in film literature and photography Throughout the book Reid's analysis is driven by a postNegritude understanding of race and cultural identity as a socially acquired and unfixed process rather than a biological fact By showing how visual and literary artists challenge hegemonies of power through the creative imagination he challenges monolithic and fixed notions of race ethnicity sexuality gender religion and cultural identity
