The Irish Republic:

The Birth of the Irish Free State, 1921-1923 Joseph Maroney Curran, 1980 The Irish Free State Irish Saorst t ireann Irish pronunciation si sta t e n 6 December 1922 29 December 1937 was the state established in 1922 as a Dominion of the British Empire under the Anglo Irish Treaty signed by British and Irish representatives exactly twelve months beforehand On the day the Irish Free State was established it comprised the entire island of Ireland but as expected Northern Ireland almost immediately exercised its right under the treaty to remove itself from the new state The Irish Free State effectively replaced both the self proclaimed Irish Republic founded 21 January 1919 and the Provisional Government of Southern Ireland W T Cosgrave the first President of the Irish Free State had led both of these governments since August 1922 The Irish Free State came to an end in 1937 when the citizens voted by referendum to replace the 1922 constitution It was succeeded by the sovereign and current state of Ireland which until 1949 was often referred to as Eire Wikipedia The Republic Charles Townshend, 2013-09-26 A gripping narrative of the most critical years in modern Ireland s history from Charles Townshend The protracted terrible fight for independence pitted the Irish against the British and the Irish against other Irish It was both a physical battle of shocking violence against a regime increasingly seen as alien and unacceptable and an intellectual battle for a new sort of country The damage done the betrayals and grim compromises put the new nation into a state of trauma for at least a generation but at a nearly unacceptable cost the struggle ended a new republic was born Charles Townshend s Easter 1916 opened up the astonishing events around the Rising for a new generation and in The Republic he deals with the same unflinchingly wish to get to the truth behind the legend with the most critical years in Ireland s history There has been a great temptation to view these years through the prisms of martyrology and good and evil The picture painted by Townshend is far more nuanced and sceptical but also never loses sight of the ordinary forms of heroism performed by Irish men and women trapped in extraordinary times Reviews Electric a magisterial and essential book Irish Times About the author Charles Townshend is the author of the highly praised Easter 1916 The Irish Rebellion His other books include The British Campaigns in Ireland 1919 21 and When God Made Hell The British Invasion of Mesopotamia and the Making of Iraq 1914 21 **Lettre De M. le C. de **, membre de l'Etat Noble du Hainaut, à M. le C. de *, membre de l'Etat Noble du Brabant ; en date du 1 Avril 1789** ,1789 *Six days of the Irish Republic* L. of the Irish Republican Brotherhood's military council met to proclaim an Irish Republic with themselves as the provisional government. After a week of fighting with the British army on the streets of Dublin, the Seven were arrested, court-martialed, and executed. Cutting through the layers of veneration that have seen them regarded unquestioningly as heroes and martyrs by many, Ruth Dudley Edwards provides shrewd yet sensitive portraits of Ireland's founding fathers. She explores how an incongruous group which included a communist, visionary Catholic poets and a tobaccoist joined together to initiate an armed rebellion that changed the course of Irish history. Brilliant thought-provoking and captivatingly told, *The Seven* challenges us to see past the myths and consider the true character and legacy of the Easter Rising. *Ulster and the Irish Republic* William Arthur Carson, 1957 **Irish Statesman and Rebel** Bill Severn, 1971 A biography of the revolutionary who became President of the Irish Republic he helped establish
