

The Israeli Army

Yoram Peri

The Israeli Army:

A History of the Israeli Army: 1874 to the Present Ze'ev Schiff, 2024-05-23 It is virtually impossible to understand Israel or the Middle East without understanding Israel's military history and its security needs. There are many books that attempt to provide such a history, but Ze'ev Schiff's concise *History of the Israeli Army* is unquestionably the most successful. He writes with great objectivity and probes issues that most Israeli military writers prefer to dodge. Mr. Schiff's ability to come to grips with the fact that both Israel and the Arab states bordering it used tactics the other side regards as terrorism and continue to use them is matched by his skill in summarizing the causes, course, and outcome of the large-scale Arab-Israeli conflicts in 1956, 1967, and 1973, and the war of attrition in 1969-70. Mr. Schiff provides an excellent summary of the political and military forces that shaped Israel's behavior in each war. He neither justifies nor excuses Israel's behavior, and he does not justify or excuse Israel's motives and goals; he is content to explain them. He also explains the factors that shaped Arab behavior and gives the causes of Arab defeats without editorializing. Mr. Schiff avoids technical issues, tactics, and the details of battles; he focuses on the main flow of events. He provides a short history of the major events shaping Israel's military forces and strategy before and during each war. His descriptions of military events flow naturally out of his accounts of political motives and strategy. His chapter on doctrine ties together the histories of the different conflicts, and it should be read by anyone who feels Israel somehow has caused most of its wars. His chapter on the 1982 war in Lebanon is the most incisive reporting yet done on that event, a model of how good defense reporting can be when it looks beyond the day-to-day flow of events and searches out the underlying pattern of military conflict and its causes. Mr. Schiff presents the war as one in which Mr. Sharon, then Israel's Minister of Defense, snatched defeat from the jaws of victory. Mr. Schiff's treatment of Mr. Sharon and the PLO's high command is devastating; it adds up to one of the best arguments against violence as a solution to the problems of the Middle East ever written. In short, Mr. Schiff has written a history that any historian or political or military analyst must envy. *The New York Times*: A story concisely and clearly told. Schiff's ability to deal with Israeli military matters accurately and analytically is in evidence as usual. This is a good introduction to the subject and well written. *Middle East Journal*. If one does not have a basic book on the Israeli Army, this is one of the best. **Military Affairs** **The Making of**

Israel's Army Yigal Allon, 2024-07-03 Allon recounts the growth of the Israeli army from its inception in the 1880s when Jewish communities in Palestine formed their first small self-defense groups through the Haganah's clandestine period in the 1920s and 30s and the fighting after 1945 when army and state together achieved legality to the Sinai Campaign of 1956 and the Six Day War in June 1967 when the army reached maturity. His precise economical narrative interspersed with brief passages of analysis is supplemented by extensive documentation which is especially interesting in the way it traces the development of attitudes and doctrine in the Israeli forces. The work is a valuable contribution. It tells us a great deal about the organization in its various stages that fought the wars and helps explain why these assumed the forms that they did and

why they succeeded a study that is more than a history of a military organization Middle Eastern Studies Allon has contributed an extended essay concerned with the Israeli Government's military philosophy policy and strategy rather than an administrative and technical history half the book contains several important reports and policy statements not easily available in English describing military actions undertaken between 1941 and 1967 Allon was an important contributor to the development of the Israeli Defense Forces a rather breathtaking sweep in which hardly a word is wasted The American Political Science Review Allon seeks to explain in concise format the development of Israel's military doctrines of defense The author was former Palmach commander one of the architects of the IDF and a commander of various military units and on several battlefronts during Israel's War of Independence Middle East Journal The development of Israel's armed forces and military doctrine in the context of that country's unique strategic needs Especially interesting are the criticisms of some of the Israeli government's decisions taken just before and during the Six Day War Foreign Affairs An account authoritative in content modest in tone of the growth and character of the Israeli army by one of its principal creators and leaders International Affairs Allon gives a short historical and technical account of the evolution of an Israeli fighting capability over the past 70 years The exploits of this army are significant and should be analyzed No less interesting are the book's descriptions of individual actions by participants in the first and second of Israel's wars The value of the book stems partly from a continuity of perspective on Israel's strategic problems from 1948 to August 1969 a useful book Military Affairs

The Anatomy of the Israeli Army Gunther E. Rothenberg, 1979 En af de første fremstillinger om den israelske hær Med baggrund i Seksdageskrigen og Yom Kippurkrigen samt hærns oprettelse i slutningen af 1940'erne beskrives IDF's historie organisation bevægning samt taktik og strategi An Army Like No Other Haim Bresheeth-Zabner, 2020-08-25 The Israeli army officially named the Israel Defence Forces IDF was established in 1948 by David Ben Gurion Israel's first prime minister who believed that the whole nation is the army In his mind the IDF was to be an army like no other It was the instrument that might transform a diverse population into a new people Since the foundation of Israel therefore the IDF has been the largest richest and most influential institution in Israel's Jewish society and is the nursery of its social economic and political ruling class In this fascinating history Bresheeth charts the evolution of the IDF from the Nakba to wars in Egypt Lebanon Iraq and the continued assaults upon Gaza and shows that the state of Israel has been formed out of its wars He also gives an account of his own experiences as a young conscript during the 1967 war He argues that the army is embedded in all aspects of daily life and identity And that we should not merely see it as a fighting force enjoying an international reputation but as the central ideological political and financial institution of Israeli society As a consequence we have to reconsider our assumptions on what any kind of peace might look like *The Israeli Army in the Middle East Wars 1948-73* John Laffin, 2012-08-20 Israel assumes in advance that defeat in war means an end to its state and it wages war accordingly This fact influences the Israeli approach to its army and to the strategy tactics training and conduct of war Surrounded by

hostile nations Israel has fought six victorious wars between 1948 and 1973 despite having begun as an irregular impoverished and improvised group Backed by plenty of photographs and eight full page colour plates this detailed text examines the six wars fought between 1948 73 including the substantial Israeli victory of 1967 The Israeli Army in the Middle East Wars 1948-73 John Laffin,2012-08-20 Israel assumes in advance that defeat in war means an end to its state and it wages war accordingly This fact influences the Israeli approach to its army and to the strategy tactics training and conduct of war Surrounded by hostile nations Israel has fought six victorious wars between 1948 and 1973 despite having begun as an irregular impoverished and improvised group Backed by plenty of photographs and eight full page colour plates this detailed text examines the six wars fought between 1948 73 including the substantial Israeli victory of 1967 *Minorities in the Israeli Military, 1948-58* Randall S. Geller,2017-08-25 This study examines the attitudes and policies on all sides of the majority minority divide in Israel during the state s formative decade and how the social political and strategic decisions made vis vis the non Jewish populations then continue to impact this unique Middle Eastern state today While land labor and settlement policies or the educational legal or political systems could have been used to explore majority minority relations in Israel between 1948 1958 this study does so through the prism of the army in theory the state s most unifying social institution The central questions investigated in this study are how did the leadership of the Jewish majority balance its declared commitment to the state s democratic ideals and the principle of equality on the one hand and its commitment to creating a Jewish state and ensuring its security on the other Was the army charged with instilling Zionist patriotism in Jewish youth prepared to absorb and integrate Arabs who constituted the overwhelming majority of the non Jewish minorities Would the state s minority groups be viewed as trustworthy and loyal enough to serve in the army Furthermore how would potential Arab military service impact the educational mission and particularly the simultaneously transformative and integrative effort the army was charged with carrying out among Jews While a specialized work in the fields of Israel and Middle Eastern Studies this book should appeal to all students interested in majority minority relations and the state building process in newly emerging democratic societies **The Israeli Military and Israel's Palestinian Policy** Yoram Peri,2002

The Israeli Military and the Origins of the 1967 War Ami Gluska,2007-02-12 This new book looks at the relationship between the Israeli armed forces the government and the origins of the 1967 War Ami Gluska discusses the effect of the Israel Defense Forces IDF on Israel s defense policy between 1963 1967 against the backdrop of the developments in the Middle East In addition he describes in detail the decision making process leading to the Arab Israeli Six Day War in June 1967 through the prism of the relations between the military and political echelons He shows how the Six Day War was a watershed event in the Middle Eastern conflict and had a profound effect on the development of the Palestinian problem and the character of the State of Israel over the past four decades This book will be of great interest to students of Middle Eastern politics strategic studies Israeli politics and military history in general The Sword And The Olive Martin Van

Crevel, 2008-08-06 Combining razor sharp analysis with dramatic narrative vivid portraits of soldiers and commanders with illuminating discussions of battle tactics and covert actions The Sword and the Olive traces the history of the IDF from its beginnings in Palestine to today The book also goes beyond chronology to wrestle with the political and ethical struggles that have shaped the IDF and the country it serves struggles that are manifesting themselves in the recent tragic escalation of the Palestinian Israeli conflict Often revisionist in attitude surprising in many of its conclusions this book casts new light on the struggle for peace in the Middle East

As recognized, adventure as well as experience nearly lesson, amusement, as without difficulty as treaty can be gotten by just checking out a books **The Israeli Army** afterward it is not directly done, you could take even more vis--vis this life, almost the world.

We manage to pay for you this proper as skillfully as easy artifice to get those all. We allow The Israeli Army and numerous ebook collections from fictions to scientific research in any way. in the course of them is this The Israeli Army that can be your partner.

The Israeli Army Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Israeli Army has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Israeli Army has opened up a world of possibilities. Downloading The Israeli Army provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Israeli Army has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Israeli Army. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Israeli Army. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Israeli Army, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Israeli Army has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Israeli Army Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Israeli Army is one of the best book in our library for free trial. We provide copy of The Israeli Army in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Israeli Army. Where to download The Israeli Army online for free? Are you looking for The Israeli Army PDF? This is definitely going to save you time and cash in something you should think about.
