The John Grisham Story From Baseball To Bestsellers:

The John Grisham Story Libby Hughes, 2004-09 John Grisham is the home run king of legal thrillers Fans devour his books and can't wait for each blockbuster book every February Since 2001 he has written a second lightweight novella in the fall This is gourmet Grisham But who is John Grisham the real John Grisham He is an elusive private and mysterious person who shuns publicity The author of *The John Grisham Story from baseball to bestsellers* peels away the layers of this fascinating Mississippi boy who longed to be a professional baseball player Grisham was a criminal lawyer a Mississippi legislator and is presently a novelist Grisham came from a family of storytellers His gypsy life as a child moving from Arkansas to many small towns in Mississippi was fodder for many of his ideas Life experiences for Grisham left him full of disdain for lawyers politicians and government Yet he is a spiritual man a family man and an anonymous giver to charities Buried behind his acres of land in the rolling hills of Virginia Grisham coaches Little League and uses his novels to espouse his causes against homelessness insurance scams and crooked lawyers Here is the inside story of John Grisham written in a lively informative and colorful style *Becoming Bestsellers: John Grisham and Danielle Steel (Sample from Chapter 2 of THE BESTSELLER CODE)* Jodie Archer, Matthew L. Jockers, 2016-08-16 This sneak peek teaser featuring literary giants John Grisham and Danielle Steele from Chapter 2 of *The Bestseller Code* a groundbreaking book about what a computer algorithm can teach us about blockbuster books stories and reading reveals the importance of topic and theme in bestselling fiction according to percentages assigned by what the authors refer to as the bestseller o-meter Although 55 000 novels are published every year only about 200 hit the lists a commercial success rate of less than half a percent When the computer was asked to blindly select the most likely bestsellers out of 5 000 books published over the past thirty years based only on theme it discovered two possible candidates *The Accident* by Danielle Steel and *The Associate* by John Grisham The computer recognized quantifiable patterns in their seemingly opposite but undeniably successful writing careers with legal thrillers and romance In Chapter 2 Archer and Jockers analyze this data and divulge the most and least likely to best sell topics and themes in fiction with a human discussion of the why behind these results *The Bestseller Code* is a big idea book about the relationship between creativity and technology At heart it is a celebration of books for readers and writers a compelling investigation into how successful writing works **Bestseller** Robert McParland, 2018-12-15 Whether curled up on a sofa with a good mystery lounging by the pool with a steamy romance or brooding over a classic novel Americans love to read Despite the distractions of modern living nothing quite satisfies many individuals more than a really good book And regardless of how one accesses that book through a tablet a smart phone or a good old fashioned hardcover those choices have been tallied for decades In *Bestseller A Century of America's Favorite Books* Robert McParland looks at the reading tastes of a nation from the beginning of the twentieth century to the present day Through extensive research McParland provides context for the literature that appealed to the masses from low brow potboilers like *Forever Amber* to Pulitzer Prize

winners such as *To Kill a Mockingbird* Decade by decade McParland discusses the books that resonated with the American public and shows how current events and popular culture shaped the reading habits of millions Profiles of authors with frequent appearances from Ernest Hemingway to Danielle Steel are included along with standout titles that readers return to year after year A snapshot of America and its love of reading through the decades this volume informs and entertains while also providing a handy reference of the country's most popular books For those wanting to learn more about the history of American culture through its reading habits **Bestseller A Century of America's Favorite Books** is a must read **The Bestseller Code** Jodie Archer, Matthew L. Jockers, 2016-09-20 What if there was an algorithm that could predict which novels become mega bestsellers Are books like Dan Brown's *The Da Vinci Code* and Gillian Flynn's *Gone Girl* the Gladwellian outliers of publishing This book boldly claims that the New York Times bestsellers in fiction are predictable and that it's possible to know with 97% certainty if a manuscript is likely to hit number one on the list as opposed to numbers two through fifteen The algorithm does exist the code has been cracked the results are in **Albamarle**, 1997-02 **Encyclopedia of American Popular Fiction** Geoff Hamilton, Brian Jones, 2010-05-12 Covers contemporary authors and works that have enjoyed commercial success in the United States but are typically neglected by more literary guides Provides high school and college students with everything they need to know to understand the authors and works of American popular fiction

Revisiting John Grisham Mary Beth Pringle, 2007-05-30 John Grisham is one of the most prolific and beloved mystery writers today still reaching the top of the bestseller lists with books like *The Testament* 1999 and *King of Torts* 2003 In recent times he has also experimented with different genres such as *A Painted House* 2001 a semi autobiographical work and *Skipping Christmas* 2001 a holiday narrative This volume follows up the critical analysis of Grisham's work in *John Grisham A Critical Companion* examining his writing from 1997 to the present **Calico Joe** John Grisham, 2012-04-10 1 NEW YORK TIMES BESTSELLER A surprising and moving novel of fathers and sons forgiveness and redemption set in the world of Major League Baseball Grisham knocks it out of the park *The Washington Post* It's the summer of 1973 and Joe Castle is the boy wonder of baseball the greatest rookie anyone has ever seen The kid from Calico Rock Arkansas dazzles Chicago Cubs fans as he hits home run after home run politely tipping his hat to the crowd as he shatters all rookie records Calico Joe quickly becomes the idol of every baseball fan in America including Paul Tracey the young son of a hard partying and hard throwing New York Mets pitcher On the day that Warren Tracey finally faces Calico Joe Paul is in the stands rooting for his idol but also for his dad Then Warren throws a fastball that will change their lives forever Don't miss John Grisham's new book **THE EXCHANGE AFTER THE FIRM** □□□□□□□□□□, 2006 □□□□□□□□ □□, □□□□, 2005
