The Joy Of Conversation The Complete Guide To Salons:

The Joy of Conversation Jaida N'ha Sandra, 1997-11-01 Salons are lively gatherings where people engage in big talk that amuses, challenges, amazes, and is sometimes passionately acted upon. This book tells you all you need to know about joining salons, organizing them, and energizing them. Plus, how to attract new members, where to meet, and what topics to explore. This book presents a brief history of salons, tells you how to build your own salon, choose topics, and have successful conversations. Build community in your salon and have your salon make a difference in society. There is also a chapter on other directions for salons, book clubs, and study circles, councils, creativity salons, and e-salons on the Internet. A small group of committed citizens can change the world. *The Joy of Conversation* Jaida N'ha Sandra, 1997. *The World Café* Juanita Brown, David Isaacs, World Café Community, 2005-06-05 The World Café is a flexible, easy-to-use process for fostering collaborative dialogue, sharing mutual knowledge, and discovering new opportunities for action. Based on living systems thinking, this innovative approach creates dynamic networks of conversation that can catalyze an organization or community's own collective intelligence around its most important questions. Filled with stories of actual Café dialogues in business, education, government, and community organizations across the globe, this uniquely crafted book demonstrates how the World Café can be adapted to any setting or culture. Examples from such varied organizations as Hewlett-Packard, American Society for Quality, the nation of Singapore, the University of Texas, and many others demonstrate the process in action. Along with its seven core design principles, The World Café offers practical tips for hosting conversations that matter in groups of any size, strengthening both personal relationships and people's capacity to shape the future together. *Empowering Public Wisdom* Tom Atlee, 2012 Beyond elections, public participation and citizen input, democracy must produce wise public policy, or we're in real trouble. In *Empowering Public Wisdom*, lifelong activist Tom Atlee proposes innovative and practical ideas for collecting and distilling the wisdom of ordinary people in order to infuse the political process with common sense and provide people with ownership of the process. *Empowering Public Wisdom* recognizes currently popular forms of progressive democracy, advocates such as citizen participation and voter education, but suggests that what is really needed is a rethinking of the very concept of democracy. Atlee advocates the use of public wisdom, a collective intelligence that can be drawn upon to guide public policy and action. Reaching beyond partisan politics, Atlee explores how a diversity of views can be engaged around public issues in ways that generate a coherent, shared voice of the people that takes most or all of the population's perspectives and needs into account. Atlee's core approach is through citizen deliberative councils in which a small group of people randomly selected creates a mini-public or a microcosm of the *Moments of Meeting* Kenneth N. Cissna, Rob Anderson, 2012-02-01 *Moments of Meeting* tells the story of a uniquely important event in twentieth-century intellectual history: the 1957 public dialogue of philosopher Martin Buber and psychotherapist Carl Rogers, and explores the practical implications of that event for contemporary social and cultural theory. Supported by original historical research.

close textual analysis and a variety of interviews the book illuminates the careers theories and practices of two of the last century s foremost scholars of dialogue while it clarifies what they shared in common Following a careful case study of the Buber Rogers public conversation about the dynamics of dialogue itself the authors conclude that public dialogue cannot be built primarily upon skillful technique Instead we must support settings and attitudes that enable unique moments of meeting
