"I Make No Apology" Bob Mitchell,2015-10-19 Biography of David M Mitchell b 1922 d 2006 from formative years through service in World War II career with Bell Telephone Laboratories followed by first second marriages family anecdotes travel experience and retirement **The Copycat Effect** Loren Coleman,2004-09-14 VIOLENCE BEGETS VIOLENCE BEGETS VIOLENCE A disturbed student shoots up his classroom and suddenly a wave of mass murder is sweeping through

our nation's schools A young child is taken from her home and for months afterward child abductions are frantically reported on an almost daily basis A surfer is attacked by a shark and the public spends an entire summer fearing an onslaught of the deadly underwater predators Why do the terrible events we see in the media always seem to lead to more of the same Noted author and cultural behaviorist Loren Coleman explores how the media's over saturated coverage of murders suicides and deadly tragedies makes an impact on our society This is The Copycat Effect the phenomenon through which violent events spawn violence of the same type From recognizing the emerging patterns of the Copycat Effect to how we can deal with and counteract its consequences as individuals and as a culture Loren Coleman has uncovered a tragic flaw of the information age a flaw which must be corrected before the next ripples of violence spread **Air Force Chaplains** United States. Air Force. Office of the Chief of Chaplains, Daniel B. Jorgensen, 1991 *The Moth Snowstorm* Michael McCarthy, 2016-10-04 The moth snowstorm a phenomenon Michael McCarthy remembers from his boyhood when moths would pack a car's headlight beams like snowflakes in a blizzard is a distant memory Wildlife is being lost not only in the wholesale extinctions of species but also in the dwindling of those species that still exist The Moth Snowstorm is unlike any other book about climate change today combining the personal with the polemical it is a manifesto rooted in experience a poignant memoir of the author's first love nature McCarthy traces his adoration of the natural world to when he was seven when the discovery of butterflies and birds brought sudden joy to a boy whose mother had just been hospitalized and whose family life was deteriorating He goes on to record in painful detail the rapid dissolution of nature's abundance in the intervening decades and he proposes a radical solution to our current problem that we each recognize in ourselves the capacity to love the natural world Arguing that neither sustainable development nor ecosystem services have provided adequate defense against pollution habitat destruction species degradation and climate change McCarthy asks us to consider nature as an intrinsic good and an emotional and spiritual resource capable of inspiring joy wonder and even love An award winning environmental journalist McCarthy presents a clear well documented picture of what he calls the great thinning around the world while interweaving the story of his own early discovery of the wilderness and a childhood saved by nature Drawing on the truths of poets the studies of scientists and the author's long experience in the field The Moth Snowstorm is part elegy part ode and part argument resulting in a passionate call to action **Exploring the History of Childhood and Play through 50 Historic Treasures** Susan A. Fletcher, 2020-05-15 A full color trip through the treasures of American Childhood from 1650 to today Remember the toys you played with when you were growing up Each of those objects has a story to tell about the history of American childhood and play Construction toys like Lincoln Logs and Erector Set offer insight into America's booming urban infrastructure in the early 1910s and 20s and the important role toys played in preparing children for future careers in engineering and architecture A stuffed toy monkey from Germany tells the story of young Jewish refugees to the United States during World War II The board game Candyland has its origins in the dreaded polio epidemic of 1950s Exploring

Childhood and Play Through 50 Historic Treasures brings together a collection of beloved toys and games from the last two centuries to guide readers on a journey through the history of American childhood and play 1840 2000 Through color photographs and short essays on each object this book examines childhood against the backdrop of culture politics religion technology gender parenting philosophies and more The book features ten categories of objects including board and electronic games dolls action figures art toys optical toys animal toys construction sets and sports Each essay tells the story of the individual object its historic context and each passage builds upon one another to create a fascinating survey of how childhood and play changed over the course of two centuries
