Small Houses In Finland:

Small Houses in Finland Esa Piironen, 2004 Small Houses in Finland presents a selection of the best single family houses in Finland from the last twenty five years Each of the 29 houses presented shows a different approach to the design of a small house from the site placement to the plan layout facades massing and use of materials all the way to the handling of the construction details All the houses have been individually designed for single families and are situated in different environments from the countryside to the city and from the seashore inland The houses in this book have been selected by architect Esa Piironen who himself has designed a number of small houses Characteristic of his approach has been a commitment to environmentally friendly and humane architecture *Contemporary Architects* Muriel Emanuel, 2016-01-23

Handbook for Northern Europe; Including Denmark, Norway, Sweden, Finland, and Russia. New Edition, Partly Re-written, and Corrected Throughout ... With Maps and Plans John Murray (Firm), 1848 *Through Finland in Carts* Mrs. Alec-Tweedie, 2019-11-26 In *Through Finland in Carts* Mrs Alec Tweedie offers an evocative travel narrative that immerses readers in the enchanting beauty and cultural richness of early 20th century Finland Her prose combines vivid descriptions with an engaging conversational style reflecting her keen observational skills and deep appreciation for the landscapes and people she encounters The book not only documents the journey through various provinces but also captures the zeitgeist of the era revealing the social and political nuances of Finnish life just before its independence With a balance of personal anecdotes and insightful reflections this work stands as both a travelogue and a poignant social commentary Mrs Alec Tweedie an intrepid traveler and writer brought her unique insights into Finnish culture to life through her extensive travels across Europe Her earlier works combined with her experiences in different locales honed her narrative style and refined her abilities as a storyteller This background coupled with her fascination for lesser known destinations led her to explore Finland in a period of transformation allowing her to convey a sense of place that resonates with authenticity *Through Finland in Carts* is a must read for those who cherish travel literature and wish to explore a Finland that is often overlooked With its detailed portrayal of Finnish society layered with personal reflections this book invites readers to journey alongside the author and experience the wonders of a landscape that is as rich in history as it is in natural beauty **Handbook for Northern Europe; Including Denmark, Norway, Sweden, Finland, and Russia. With Maps and Plans** John Murray (Firm), 1849 **Solar Energy Houses** Anne-Grete Hestnes, Robert Hastings, Bjarne Saxhof, 2013-11-05 Passive and active solar strategies together with the adoption of energy conservation measures and the integration of new materials and technologies can lead to a dramatic reduction of 75 90 per cent in the energy consumption of the buildings The objective of Task 13 of the IEA's Solar Heating and Cooling Programme was to advance solar building technologies and demonstrate this potential by designing and constructing buildings that met very low energy consumption targets while maintaining a good indoor climate This revised second edition of this book presents the findings of the Task 13 experts and includes the results

of the monitoring programme conducted to determine the effectiveness of the techniques and strategies adopted This new edition also provides a detailed explanation of this research programme in terms of how far the expectations of the Task experts were met and highlights the specific successes and lessons learned from the project
