Steve Liebowitz

Steel Pier:

Steel Pier Steve Liebowitz, 2016 *Steel Pier* details the history of this historic Showplace of the Nation in America's Playground Atlantic City. Atlantic City has worn the tag of America's Playground since its earliest days so it is only natural that its biggest and most well known icon the Steel Pier would be known as the Showplace of the Nation. Over the course of 80 years from 1898 to 1978 Steel Pier developed from a quiet genteel amusement that featured light classical music and cakewalks to a vast entertainment complex that offered movies big name vaudeville acts exhibits big bands rock bands and the Water Circus with its famed diving horse. What makes this even more compelling is that one could spend the entire day on the pier and take all of this in for one small admission fee. *Steel Pier, Atlantic City* Steve Liebowitz, 2009 For much of the 20th century the Steel Pier in Atlantic City NJ was the center of American entertainment on the East Coast. There were big bands movies sideshows acrobats flag pole sitters Frank Sinatra Miss America and throngs of people lining up to get a seat so they could watch brave horses and riders dive into a pool of water. It was aptly called the Showplace of the Nation and it was all that and more. This all in one entertainment mecca has never been matched. Where else could you take the entire family for a day and see fortune telling parakeets the World of Tomorrow John Philip Sousa and his band a bear on a bicycle World Famous Diving Horses take a ride below the sea in the Diving Bell spend the evening in the marine ballroom and take in a movie all for one ticket. It was a colossal offering of escape popular culture fun and fantasy. Today the golden age of the Pier seems a world apart. Yet it was an institution a destination not to be missed an empire of grand thinking impresarios oddities and glamour that meshed into one attainable summer destination. Steel Pier evokes a time when more really was more a time when there was so much invention talent and industry that it could only be experienced in one place at the edge of the continent in a city that took its name from a vast ocean on a great pier reaching out into the sea. *Steel Pier, Atlantic City, 1924* ,1924 **Atlantic City** Frank Legato, 2005 Atlantic City Queen of Resorts or America's Playground you decide. Come inside and take a new look at Atlantic City today a family destination with something for everyone and more surprises to come. *The Railway Age* ,1907 *Billboard* ,1946-04-20 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform. Visitors came first by the combination of river steamers and a train and later by automobiles to seek respite from the summer's heat and the daily grind.
