**William Frankel, Antony Lerman**

## **Steering The Polity Communication And Politics In Israel:**

*Steering the Polity* Itzhak Galnoor, Examines a political system as a network of communication This analysis includes but does not limit itself to the relationship between political institutions and the mass media Rather it takes into account how all channels of information to and from centres of power work how that information flows and the impact that it has Galnoor regards the process of decision making in society as being essentially a problem for communication studies Israel is used as a case study The book begins with a proposal for a theory of political communication drawing on the ideas of Karl Deutsch A brief overview of Israeli society and politics follows The following six chapters apply this theoretical framework to Israel's political development Galnoor makes a distinction between political development per se and democratic development which he believes can be distinguished through an analysis of selected political variables in communication terms Israel's democratic development is the subject of the next two chapters Galnoor regards the process of decision making in society as being essentially a problem from communication studies His synthesis of politics and communication may be the basis for truly comparative studies of how decisions to use power are made **Trouble in Utopia** Dan Horowitz, Moshe

Lissak, 2012-02-01 This book provides a thorough and detailed examination of Israeli institutions and how they function It explains the decline in effectiveness of the government and the spread of cultural malaise in the Israel of the eighties Horowitz and Lissak trace the integrative and disintegrative trends in Israel and show how a society that had laid the foundations for a cohesive Jewish nation state became increasingly vulnerable to centrifugal forces The book not only reflects a broad and comprehensive approach but also focuses on themes that cut across institutional structures such as the weakening of social and political cohesion in an overburdened polity *Steering the Polity* Itzhak Galnoor, 1982-05 Galnoor examines a political system that of Israel as a network of communication both to and from the power centre He develops a new theory of political communication and applies it in order to define the distinction between political development per se and democratic development His synthesis of politics sociology and communication may be the basis for truly comparative studies of how policies and decisions to use power are made A most useful volume in any academic library collection on the Middle East or participatory democracies especially those libraries serving upper division students and up Choice March 1983 *The Government And Politics Of Israel* Donald Peretz, 2018-02-19 This book offers a comprehensive and up to date

overview of the dynamics of Israeli politics It aims to familiarize those interested in Israel's government with that country's origins the way its political institutions practices and traditions have evolved and the way the government works **The Handbook of Israel's Political System** Itzhak Galnoor, Dana Blander, 2018-07-26 There is growing interest in Israel's political system from all parts of the world This Handbook provides a unique comprehensive presentation of political life in Israel from the formative pre state period to the present The themes covered include political heritage and the unresolved issues that have been left to fester the institutional framework the Knesset government judiciary presidency the state

comptroller and commissions of inquiry citizens political participation elections political parties civil society and the media the four issues that have bedevilled Israeli democracy since its establishment security state and religion the status of Israel s Arab citizens and economic inequities with concomitant social gaps and the contours of the political culture and its impact on Israel s democracy The authors skilfully integrate detailed basic data with an analysis of structures and processes making the Handbook accessible to both experts and those with a general interest in Israel *Local Communities and the Israeli Polity* Efraim Ben-Zadok,2012-02-01 This book represents the first systematic effort to analyze the role of local communities and regions in Israel s national politics Traditionally portrayed as either elitist and highly centralized or as pluralistic with very active interest groups Israeli politics have seldom accounted for local and regional forces The authors demonstrate the growing importance of these communities in the politics of the country Their analyses are based on the concept of spatial sector and eight sectors are covered The West Bank and Gaza Strip Arabs Israeli Arabs development towns renewal neighborhoods religious neighborhoods Gush Emunim settlements kibbutzim and moshavim and Jerusalem **Politics in Israel** Brent E. Sasley,Harold M. Waller,2017 The Only Contemporary and Comprehensive Text that Offers Students a Framework for Understanding Israel s Past and Present Politics Arabs And Jews In Israel Sammy Smooha,2019-04-02 On December 9 1987 the Palestinians on the West Bank and Gaza Strip launched the most serious challenge in this century to non Arab rule in the area West of the Jordan river A genuine grassroots movement against protracted occupation and for self determination the Intifadeh has already inflicted many losses and scored many gains By the first anniversary of the uprising the toll for the revolting Palestinians was at least 280 dead 4 000 wounded 5 500 detainees and some deportations and house demolitions The substantial suffering and privations also entailed numerous beatings curfews arrests searches cuts in basic services closings of schools and losses of income The Israelis have had 10 killed 1 150 wounded a minimum of a 1 5% drop in the Gross National Product the stress of a people s army fighting civilians of an occupied nation increased international isolation and censure and the straining of relations with the Diaspora In Pursuit of Peace Mordechai Bar-On,1996 When the Israeli prime minister and the PLO chairman shook hands on the White House lawn in 1993 Israeli peace activists had good reason to celebrate this major step on the long road to peace This book tells the story of the Israeli peace movement and the role it played in that pursuit of peace It is an eloquent fascinating account of a remarkably diverse and determined cast of activists from war weary soldiers to hard headed politicians careful scholars to impassioned artists Drawing on his experience in the peace movement Bar On provides intimate portraits of groups like Peace Now Yesh Gvul and the Women in Black he also provides a sweeping historical synthesis of the course of the Israeli Arab conflict especially between 1967 and 1993 **Participatory Democracy and Political Participation** Thomas Zittel,Dieter Fuchs,2006-11-22 A detailed new examination of the initiatives governments are exploring to reform the institutions and procedures of liberal democracy in order to provide more opportunities for political participation and inclusion Combining theory and empirical case studies this

is a systematic evaluation of the most visible and explicit efforts to engineer political participation via institutional reforms Part I discusses the phenomenon of participatory engineering from a conceptual standpoint while parts II III and IV take a comparative as well as an empirical perspective The contributors to these sections analyze participatory institutions on the basis of empirical models of democracy such as direct democracy civil society and responsive government and analyze the impact of these models on political behaviour Part V includes exploratory regional case studies on specific reform initiatives that present descriptive accounts of the policies and politics of these reforms Delivering a detailed assessment of democratic reform this book will of strong interest to students and researchers of political theory democracy and comparative politics

**Golda Meir** Meron Medzini, 2017-04-26 For five decades Golda Meir was at the center of the political arena in Israel and left her mark on the development of the Yishuv and the state She was a unique woman great leader with a magnetic personality a highly complex individual She held some of the most important positions that her party and the State could bestow She fulfilled most of them with talent and dignity She failed in the top job that of Prime Minister This biography traces her origins her American roots her immediate family her failed marriage her rise in the party the trade union movement her massive and enduring achievements as Secretary of Labor and Housing her ten year stint as foreign minister and finally the reasons that led to her failure as prime minister She was a very good tactician far less a strategist She was a major builder of modern Israel whose influence on that country on Israel American relations and on Jewish history was evident primarily from 1969 to 1974 The author who served as spokesman for Golda Meir in 1973 1974 weaves a gripping story of one of the builders and leaders of the State of Israel Migrants from the Promised Land Zvi Sobel, In December 1983 Israeli radio and television blitzed the nation with programming on yerida emigration from Israel So much attention has been given to emigration that the casual observer might think it is the central threat to Israeli society Demographics show that it is not but emotions continue to run high on the subject In Migrants from the Promised Land Zvi Sobel explores the reasons for emigration from contemporary Israel within the context of a far ranging critical assessment of Israeli society and the Zionist enterprise He asks why in light of near devastating challenges to the survival of Israel does emigration assume such overwhelming importance among both elites and masses His analysis is based on intensive interviews with hundreds of people preparing to leave Israel and a thorough examination of all relevant demographics **Law and Social Movements**

Michael McCann, 2017-07-05 The work of both socio legal scholars and specialists working in social movements research continues to contribute to our understanding of how law relates to and informs the politics of social movements In the 1990s an important line of new research most of it initiated by those working in the law and society tradition began to bridge the gaps between these two areas of scholarship This work includes new approaches to group legal mobilization politics analysis of the judicial impact on social reform struggles studies of individual legal mobilization in civil disputing and an almost entirely new area of research in cause lawyering It brings together the best of this research introduced by a detailed essay by

the editor Behind Media Marginality Eli Avraham, 2003-01-01 Behind Media Marginality examines the considerations and decisions that have resulted in the distorted and negative media coverage of minority groups in the Israeli media Author Eli Avraham looks closely at media portrayals of those living in the geographic margins of Israeli kibbutzim Jewish settlements in the West Bank development cities and the Israeli Arab community from the 1960s through the 1990s Through quantitative and qualitative analysis of newspaper articles interviews with reporters editors and government spokespeople and statistical and demographic data Avraham isolates and explores five factors that influence the way the media covers these social groups the group s characteristics and location their proximity to foci of power their social political environment the media s policy toward covering the group and the group s public relations strategies in response to coverage An analysis both of media operations and of Israeli society this book provides important insights into the role of the media in the formation of national identity

**The Jewish State** Alan Dowty, 2001-06 The one intelligent overview of Israeli politics that addresses the paradox at the heart of Israeli statehood How can Israel be both a Jewish state and a democratic state

**Between the Flag and the Banner** Yael Yishai, 2012-02-01 Because Israel has endured perennial armed conflict its national agenda places overriding importance on national security and family life At the same time Israel is a democracy that fosters equality for all its citizens Thus Israeli women are caught in a dilemma whether to show allegiance to the national cause or to raise the banner of feminism and focus on women s rights This book presents a broad perspective on the political life of Israeli women both Jewish and non Jewish It is the first book to explore Israeli women s political participation political identity and political organizations as well as public policy toward women Situating Israel in a comparative theoretical framework Yael Yishai focuses on the enduring tension between women s drive for power and their desire to belong and integrate from within

Survey of Jewish Affairs, 1988 William Frankel, Antony Lerman, 1989-03 This volume of the annual Survey addresses major issues of concern about Israel the Middle East the United States and world Jewry during 1987

Palestinian Citizens in an Ethnic Jewish State Nadim N. Rouhana, 1997-01-01 He discusses the consequences of Israel s ideology policy and practices toward the Arab minority the effect of major developments in the Arab world particularly in the Palestinian communities in exile and in the West Bank and Gaza and the impact of changes within the Palestinian community in Israel such as demography level of education socio economic structure and political culture

*Politics and Society in Israel* Ernest Krausz, 2017-09-29 This series of the Israeli Sociological Society whose object is to identify and clarify the major themes that occupy social research in Israel today gathers together the best of Israeli social science investigation that was previously scattered in a large variety of international journals Each book in the series is introduced by integrative essays Each volume focuses on a particular topic the first volume seeks out the dynamics of conflict and integration in a new society the second volume is concerned with the sociology of a unique Israeli social institution the kibbutz The third volume presents sociological perspectives on political life and culture in Israel Articles by leading scholars deal with historical development

political culture and ideology political institutions and behavior the social basis of politics and social change Volume III also includes a select bibliography Contributors to Volume III tentative Karl W Deutsch Yonathan Shapiro Dan Horowitz Moshe Lissak Daniel Elazar Asher Arian Charles Liebman Erik Cohen Yoram Peri Ephraim Yaar S Smooha *Public Management in Israel* Itzhak Galnoor, 2010-09-13 As government management in Israel is gradually replaced by private sector management this book provides a timely analysis of the machinery of government in Israel It highlights the inadequacy of the private sector as an alternative and how Israeli public management will need to cope with the new challenges and pressures of the 21st century
