The Sound of Our Steps Ronit Matalon,2025-09-23 Gorgeously observed and emotionally powerful *The Sound of Our Steps* is an inventive novel of immigration and exile from Ronit Matalon a major voice in contemporary Israeli fiction In the beginning there was Lucette who is the mother to three children Sammy a gentle giant almost blind but a genius with locks Corinne a flighty beauty who cannot keep a job and the child an afterthought who strives to make sense of her fractured Egyptian Jewish immigrant family Lucette s children would like a kinder warmer home but what they have is a government issued concrete box out in the thorns and sand on the outskirts of Tel Aviv and their mother hard worn and hardscrabble who cleans homes by night and makes school lunches by day Lucette quarrels with everybody speaks only Arabic and French is scared only of snakes and is as likely to lock her children out as to take in a stray dog The child recounts her years in Lucette s house where Israel s wars do not intrude and hold no interest She puzzles at the mysteries of her home why Maurice her father a bitter revolutionary makes only rare appearances And why her mother rebuffs the kind rabbi whose home she cleans in his desire to adopt her Always watching the child comes to fill the holes with conjecture and story In a masterful accumulation of short dense scenes by turns sensual violent and darkly humorous *The Sound of Our Steps* questions the virtue of a family bound only by necessity and suggests that displacement may not lead to a better life but perhaps to art
