music of Bessie Smith and Bob Wills of the Carter Family and Count Basie of Robert Johnson and Jimmie Rodgers may never have found its way onto commercial records and into the heart of America's musical heritage This is their story **Stephen King and the Uncanny Imaginary** Erin Mercer, 2023-08-25 Offering an insightful examination of Stephen King's fiction this book utilises a psychoanalytical approach drawing on Freud's theory of the uncanny It demonstrates how entrenched King's work is in a literary tradition influenced by psychoanalytic theory as well as the ways that King evades and amends Freud Such an approach positions King's texts not simply as objects of interpretation that might yield latent meaning but as producers of meaning King can certainly be read through the lens of the uncanny but this book also aims to consider the uncanny through the lens of King Organised around specific elements of the uncanny that can be found in King's fiction this book explores the themes of death and the return of the dead monstrosity telepathy inanimate objects becoming menacingly animate and spooky children Popular texts are considered such as *IT* *The Shining* and *Pet Sematary* as well as less discussed work including *The Institute* *The Regulators* and *Desperation* The book's central argument is that King's uncanny motifs offer insightful commentary on what is repressed in contemporary culture and insist on the failure of scientific rationalism to explain the world King's uncanny imaginary rejects dualistic notions of an experiencing self in an inert physical world and insists that psychic experience is bound up with the environmental This book will be of interest to students and scholars of contemporary and popular literature gothic and horror studies and cultural studies **The Publishers Weekly**, 1980

*Adapting Stephen King* Joseph Maddrey, 2021-08-04 Stephen King's fiction has formed the basis of more motion picture adaptations than any other living author Over half a century since his earliest publications Hollywood filmmakers continue to reinvent reimagine remake and reboot King's stories with mixed results This book volume 1 in a series examines the various screen adaptations of King's first three novels *Carrie* *Salem's Lot* and *The Shining* Reaching further than questions of fidelity to the author and adherence to directorial visions it charts the development of each individual adaptation from first option to final cut Through old and new interviews with the writers producers and directors of these films as well as in depth analyses of produced and unproduced screenplays it illuminates the adaptation process as an intricately collaborative endeavor Rather than merely synopsise the resulting stories its goal is to compare contrast and contextualize each of these adaptations as the products of their creators **Billboard**, 1995-01-28 In its 114th year **Billboard** remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform **Billboard** publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

*The Silence of the Lambs* Cynthia J. Miller, 2016-10-27 One of only three films to date to win Academy Awards in all five major categories *The Silence of the Lambs* marked a sea change in horror films when it debuted shifting the genre from teen slasher fare of the 1970s to the sophisticated psychological horror that characterizes acclaimed films today Praised by some as the first true feminist thriller it has drawn criticism from others for perpetuating narratives of crimes against women and

demonizing its queer character Regardless of the controversy this film is a perennial favorite and even made it into AFI's list of top 100 movies of all time In *The Silence of the Lambs* Critical Essays on a Cannibal Clarice and a Nice Chianti editor Cynthia J Miller compiles fifteen essays contributed by authors from a wide range of disciplines which are divided into three sections each approaching the film from a different vantage point Situating the Silence looks at the film in its cultural and historical context as an adaptation popular culture icon and as an element in genre and character history Dissecting Evil takes a closer look at portrayals of evil in the film in both Hannibal Lecter and Buffalo Bill and Minds Hearts and Body Parts offers critical explorations of gender patriarchy class Orientalism and humor as lenses for continued contemporary analysis of this classic film Written accessibly this collection of essays also introduces readers to forensics semantics and the psychology of serial killers *The Silence of the Lambs* Critical Essays on a Cannibal Clarice and a Nice Chianti will be of interest to scholars and fans of horror thriller and crime drama films as well as those interested in film history and the legacy of Hannibal the Cannibal in popular culture *Billboard*, 2001-08-18 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *TV Horror* Lorna Jowett, Stacey Abbott, 2013-01-18 Horror is a universally popular pervasive TV genre with shows like *True Blood* *Being Human* *The Walking Dead* and *American Horror Story* making a bloody splash across our television screens This complete utterly accessible sometimes scary new book is the definitive work on TV horror It shows how this most adaptable of genres has continued to be a part of the broadcast landscape unsettling audiences and pushing the boundaries of acceptability The authors demonstrate how TV Horror continues to provoke and terrify audiences by bringing the monstrous and the supernatural into the home whether through adaptations of Stephen King and classic horror novels or by reworking the gothic and surrealism in *Twin Peaks* and *Carnivale* They uncover horror in mainstream television from procedural dramas to children's television and through close analysis of landmark TV auteurs including Rod Serling Nigel Kneale Dan Curtis and Stephen Moffat together with case studies of such shows as *Dark Shadows* *Dexter* *Pushing Daisies* *Torchwood* and *Supernatural* they explore its evolution on television This book is a must have for those studying TV Genre as well as for anyone with a taste for the gruesome and the macabre *Stephen King 3* Stephen King, 1992-11-01

Publisher and Bookseller, 1861 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series **So Rugged and Mountainous** Will Bagley, 2012-10-09 The story of America's westward migration is a powerful blend of fact and fable Over the course of three decades almost a million eager fortune hunters pioneers and visionaries transformed the face of a continent and displaced its previous inhabitants The people who made the long and perilous journey over the Oregon and California trails drove this swift and astonishing change In this magisterial volume Will Bagley tells why and how this massive emigration began While

many previous authors have told parts of this story Bagley has recast it in its entirety for modern readers Drawing on research he conducted for the National Park Service s Long Distance Trails Office he has woven a wealth of primary sources personal letters and journals government documents newspaper reports and folk accounts into a compelling narrative that reinterprets the first years of overland migration Illustrated with photographs and historical maps So Rugged and Mountainous is the first of a projected four volume history Overland West The Story of the Oregon and California Trails This sweeping series describes how the Road across the Plains transformed the American West and became an enduring part of its legacy And by showing that overland emigration would not have been possible without the cooperation of Native peoples and tribes it places American Indians at the center of trail history not on its margins National Lampoon ,1981 The UAW and the Heyday of American Liberalism, 1945-1968 Kevin Boyle,1995-11-21 Kevin Boyle has done a masterful job of identifying the unique contribution of the UAW not only to American Liberalism but also to the nation and to all people As contemporary labor and society at large search for new directions this book should be required reading Victor G Reuther

Greedy Science Michael D. Gordin,W. Patrick McCray,2025-02-18 On the transformative role of greed in global science and technology during the 1980s In the 1980s a transformative era emerged where profit driven motives and an entrepreneurial spirit dominated scientific research and technological innovation This collection of essays edited by Michael D Gordin and W Patrick McCray examines how greed reshaped the global scientific community through the relentless pursuit of money fame and celebrity Profiting off science and technology was not a new phenomenon nor were the soaring ambitions of some of its most fervent advocates However the global currents of knowledge production in the 1980s saw major cultural and scientific shifts the increasing frequency of university patenting the rise of academic entrepreneurship and collaborations between industries and academia for example Greedy Science seeks to survey and understand the full range of these changes Through insightful essays contributors examine case studies ranging from the biotech boom driven by early oil firm investments to the speculative market strategies in personal computing and alternative energy This period saw the rise of the celebrity status of scientists and raised questions about the moral complexities of scientific greed The authors argue that greed was an ever present and expansive trait of science during this time encompassing a host of behaviors such as covetousness acquisitiveness rapaciousness and conspicuous consumption Greedy Science provides a nuanced analysis of how market dynamics and the quest for personal gain profoundly influenced scientific advancements and public perception during a pivotal decade in science and technology The Centenary Volume of the Church Missionary Society for Africa and the East, 1799-1899 Church Missionary Society,1902 **Film Review** ,2006-10
