Thinking Collectively Paul Spicker,2019-06-05 What does collectivism mean in social policy What does thinking collectively imply for policy In this book well respected author Paul Spicker lends a complementary voice to his Reclaiming Individualism reviewing collectivism as a dimension of political discourse Breaking down his analysis to examine collectivism through substantive moral and methodological lenses he reviews a series of arguments for cooperative effort solidarity and collective responsibility Taking a dispassionate and methodical approach the author explores what collectivism means in social policy and what value it offers to the field

What's Wrong with Social Security Benefits? Paul Spicker,2017-02-22 In this thought provoking book Paul Spicker challenges readers to rethink social security benefits in Britain Putting a case for reform of the system Spicker argues that most of the criticisms made of social security benefits that spending is out of control that it has led to mushrooming dependency that it fails to get people into work and that the system is riddled with fraud are misconceived Addressing those misconceptions Spicker assesses the real problems with the system related to its size its complexity the expectation that benefits agencies should know everything and the determination to personalise benefits for millions of people This stimulating short book is a valuable introduction to social security in Britain and the potential for its reform For more from the author on social security and social policy visit blog.spicker.uk

Forthcoming Books Rose Arny,1997-04 **The ^AOxford Handbook of the Social Science of Poverty** David Brady,Linda M. Burton,2016-01-29 The Oxford Handbook of the Social Science of Poverty builds a common scholarly ground in the study of poverty by bringing together an international inter disciplinary group of scholars to provide their perspectives on the issue Contributors engage in discussions about the leading theories and conceptual debates regarding poverty the most salient topics in poverty research and the far reaching consequences of poverty on the individual and societal level

Stigma Doctor Imogen Tyler,2020-04-15 Stigma is a corrosive social force by which individuals and communities throughout history have been systematically dehumanised scapegoated and oppressed From the literal stigmatizing tattooing of criminals in ancient Greece to modern day discrimination against Muslims refugees and the undeserving poor stigma has long been a means of securing the interests of powerful elites In this radical

reconceptualisation Tyler precisely and passionately outlines the political function of stigma as an instrument of state coercion Through an original social and economic reframing of the history of stigma Tyler reveals stigma as a political practice illuminating previously forgotten histories of resistance against stigmatization boldly arguing that these histories provide invaluable insights for understanding the rise of authoritarian forms of government today American Book Publishing Record ,2006 **American Journal of Public Health** ,2001-07 **Research Handbook on Housing, the Home and Society** Keith Jacobs,Kathleen Flanagan,Jacqueline De Vries,Emma MacDonald,2024-08-06 This dynamic Research Handbook explores key perspectives topics and methodologies used to understand housing the home and society Pairing social theory with a broad range of case studies from the Global North and South it offers a unique insight into the field *Citizenship and Capitalism (RLE Social Theory)* Bryan S. Turner,2014-08-21 In this study of politics in capitalist society Bryan Turner explores the development of citizenship as a way of demonstrating the effective use of political institutions by the working class and other subordinate groups to promote their interests Marxist criticisms of reformism are rejected it is shown that subordinate groups can achieve significant advances in social and economic rights and that democracy is not a sham but a necessary mechanism for the pursuit of interests *Cross National Research Methods* Linda Hantrais,Stephen P. Mangen,1996-01-01 This is a resource book for social scientists engaged in cross national comparative research It critically examines the methodological and managerial issues which arise from such work with a particular focus on the economic and social policy agenda of the European Union Experts from across Europe and from different disciplinary backgrounds draw upon their own experience of conducting cross national comparisons to offer well informed guidance on how to overcome the pitfalls and problems they have encountered **International Encyclopedia of Civil Society** Helmut K. Anheier,Stefan Toepler,2009-11-24 Recently the topic of civil society has generated a wave of interest and a wealth of new information Until now no publication has attempted to organize and consolidate this knowledge The International Encyclopedia of Civil Society fills this gap establishing a common set of understandings and terminology and an analytical starting point for future research Global in scope and authoritative in content the Encyclopedia offers succinct summaries of core concepts and theories definitions of terms biographical entries on important figures and organizational profiles In addition it serves as a reliable and up to date guide to additional sources of information In sum the Encyclopedia provides an overview of the contours of civil society social capital philanthropy and nonprofits across cultures and historical periods For researchers in nonprofit and civil society studies political science economics management and social enterprise this is the most systematic appraisal of a rapidly growing field Human Biologists in the Archives D. Ann Herring,Alan C. Swedlund,2002-12-05 Many physical anthropologists study populations using data that come primarily from the historical record For this volume s authors the classic anthropological field is not the glamour of an exotic locale but the sometimes tedium of the dusty back rooms of libraries archives and museum collections This book tells of the way in which archival data

inform anthropological questions about human biology and health The authors present a diverse array of human biological evidence from a variety of sources including the archaeological record medical collections church records contemporary health and growth data and genetic information from the descendants of historical populations The papers demonstrate how the analysis of historical documents expands the horizons of research in human biology extends the longitudinal analysis of microevolutionary and social processes into the present and enhances our understanding of the human condition Relief and Rehabilitation of War Victims in Indochina United States.
