**The Active Catholic** Gabriel Palau, 1984-06 Written as Christ speaking to His disciples who engage in the active life Short powerful one sentence messages Profound inspiring sobering and insightful Truly unusual and great

**Menstruation and Procreation in Early Modern France** Cathy McClive, 2016-03-03 Early modern bodies particularly menstruating and pregnant bodies were not stable signifiers *Menstruation and Procreation in Early Modern France* presents the first full length discussion of menstruation and its uncertain connections with embodied sex gender and reproduction in early modern France Attitudes to menstruation are explored in three inter linked arenas medicine moral theology and law across the sixteenth to the eighteenth centuries Drawing on a wide range of diverse sources including court records and private documents the author uses case studies to explore the relationship between the exceptional corporeality of individuals and attempts to construct menstrual norms reflecting on how early modern individuals lay or otherwise grappled with the enigma of menstruation She analyzes how early modern men and women accounted for the function recurrence and appearance of menstruation from its role in maintaining health to the link between other physiological and bodily processes including those found in both male and female bodies She questions the assumption that menstruation was exclusively associated with women by the second half of the eighteenth century arguing that whilst sex

related menstruation was not sex specific even at the turn of the nineteenth Menstruation remains a contentious topic today This book is not therefore simply a study of periods in early modern France but is also of necessity an exploration about the nature and constitution of historical evidence particularly bodily evidence and how historians use this evidence It raises important questions about the concept of certainty and about the value of observation testimony expertise the nature of language and the construction of bodily truths about the body as witness and the body as evidence **Sister Thorn and Catholic Mysticism in Modern America** Paula M. Kane,2013 Sister Thorn and Catholic Mysticism in Modern America

**Isis Unveiled (Vol.1&2)** Helena Blavatsky,2023-12-03 In *Isis Unveiled* Helena Blavatsky presents a comprehensive examination of the mystical and esoteric traditions that underpin both Western and Eastern spiritual thought Written in a dense yet poetic style the text is heavily intertextual drawing on a variety of sources from ancient texts to contemporary philosophical discourses Blavatsky challenges the materialistic orthodoxy of her time and advocates for the perennial wisdom found in theosophy asserting a deep interconnection between science and spirituality The dual volumes function as both a critique of contemporary religion and an invitation to explore a more universal spiritual understanding employing rich allegory and intricate symbolism to present her arguments compellingly Helena Blavatsky a prominent figure in the 19th century occult revival co founded the Theosophical Society and was instrumental in reintroducing Eastern philosophies to the Western world Her own eclectic background spanning Russia Europe and the Far East along with her dedication to exploring and synthesizing different spiritual traditions greatly informed her philosophical outlook and writings In *Isis Unveiled* Blavatsky articulates her vision of a unified spiritual framework revealing her keen insights into metaphysics and spiritual truths This seminal work is essential reading for those interested in the intersections of spirituality philosophy and science as well as for scholars studying the development of esoteric thought Blavatsky s profound reflections encourage readers to question the limits of conventional knowledge and to seek a deeper more holistic understanding of existence *Isis Unveiled* promises to be both intellectually stimulating and spiritually enriching for anyone drawn to the complexities of human thought and the mysteries of the universe **Isis Unveiled** Helena Petrovna Blavatsky,1877 **The SAGE Handbook of**

**the Philosophy of Social Sciences** Ian C Jarvie,Jesus Zamora-Bonilla,2011-02-17 what is the relationship between the social sciences and the natural sciences where do today s dominant approaches to doing social science come from what are the main fissures and debates in contemporary social scientific thought how are we to make sense of seemingly contrasting approaches to how social scientists find out about the world and justify their claims to have knowledge of it In this exciting handbook Ian Jarvie and Jes s Zamora Bonilla have put together a wide ranging and authoritative overview of the main philosophical currents and traditions at work in the social sciences today Starting with the history of social scientific thought this handbook sets out to explore that core fundamentals of social science practice from issues of ontology and epistemology to issues of practical method Along the way it investigates such notions as paradigm empiricism postmodernism naturalism

language agency power culture and causality Bringing together in one volume leading authorities in the field from around the world this book will be a must have for any serious scholar or student of the social sciences      **Embodying American Slavery in Contemporary Culture** Lisa Woolfork, 2010-10-01 This study explores contemporary novels films performances and reenactments that depict American slavery and its traumatic effects by invoking a time travel paradigm to produce a representational strategy of bodily epistemology Disrupting the prevailing view of traumatic knowledge that claims that traumatic events are irretrievable and accessible only through oblique reference these novels and films circumvent the notion of indirect reference by depicting a replaying of the past forcing present day protagonists to witness and participate in traumatic histories that for them are neither dead nor past Lisa Woolfork cogently analyzes how these works deploy a representational strategy that challenges the divide between past and present imparting to their recreations of American slavery a physical and emotional energy to counter America's apathetic or amnesiac attitude about the trauma of the slave past      **The Medical Pickwick**, 1924
