*The story of Tzu Chi. Volume 2, Compassion in action : care for the suffering*, 2022-10-01. With her concept of Even fifty cents can save a life, Dharma Master Cheng Yen began to challenge people's conceptions of the impossible. A group of ordinary housewives were the first to believe in and follow her. The major organization that Tzu Chi is today began with this group of housewives. While lodging at Puming Temple despite having nothing to her name, she was driven by one simple but resolute belief: If I eat until I am eighty percent full, I can save the remaining twenty percent to help those in need. With this hardworking and frugal mindset, Master Cheng Yen and her disciples overcame countless hardships to expand their charity work. She explained: I have faith in my own selflessness and faith in the love of others. I established the Tzu Chi Merit Association not for my own sake but for Buddha's teachings and for sentient beings. I believe that everyone has an abundance of love in their hearts. As long as there is someone to guide them, they can exercise their power of kindness.

Volume 2, 1966-1977. The beginnings of Tzu Chi's charity mission. 功德無量—圓滿的慈善事業. *All May Attain Buddhahood: Commentary on the Fifty-Two Stages of Bodhisattvas*. Shih Cheng Yen, 2023-12-01. This book teaches us how to be a bodhisattva. Its content is drawn from Master Cheng Yen's morning lecture from September to November 2005, in which she taught about a passage from the Compassionate Samadhi Water Repentance. The passage reads: We have engaged in all wrongdoing because of the six heretical practices. For the sake of clarity, Master gave a detailed explanation of the Buddha's Six Sets of Practices to stand in contrast with the six heretical practices and show us the correct direction for our spiritual practice. The Buddha's Six Sets of Practices are the fifty-two stages of bodhisattvas. They form the most important guide for spiritual practitioners learning to become bodhisattvas. Therefore, we singled out this passage from the Water Repentance text so that everyone could have it in hand and learn from it with ease. After reading this book, you will be aware of the hardships you might encounter as a bodhisattva, and you will learn how to stand firm in your resolve. Once you are replete in faith and the power of vows, you can also become a bodhisattva.
