## **Still Doing The Impossible:**

Still Doing the Impossible Oral Roberts, 2002 For more than 50 years Oral Roberts has been taking the good news of Jesus Christ to the ends of the earth totally dedicated to bringing God's healing power for the whole person Everything done by Dr Roberts has the personal touch of his great love and care for God's people Now in the sunset of a life that has touched millions around the world he passionately reveals the truths that have altered his life and awakened the Church From the presence of the invisible God he delivers the keys that will unlock God's power in your life as it unleashes His love These truths will work for the plumber as well as the preacher the bus boy and the businessman the carpenter and the cleric the housewife as well as the handyman They are precious truths that transcend time and culture When You See the Invisible, You Can Do the Impossible Oral Roberts, 2011-07-28 Everything done by Dr Roberts has the personal touch of his great love and care for God's people Now in the sunset of a life that has touched millions around the world he passionately reveals the truths that have altered his life and awakened the church From the presence of the invisible God he brings to you the hidden keys that will unlock God's power as it releases His compassion *Memoirs from the Word of God Volume 1* Rev. Ronald Davis, 2020-06-16 This book is a compilation of inspirational encouragement from the word of God messages I have preached and taught over the years in ministry from past to present over thirty something years inspired by the word and Spirit of God words of hope and spiritual enlightenment and revelation I have spent years before the Lord listening to Him getting these messages and words and I really feel they will bless you Amen **I Saw That** Tracie Jack, 2013-08 God is always involved in our lives but often we don't notice too busy with our own agenda to appreciate what He is doing for us In her book *I Saw That* Tracie shares some poignant events in her life where she was able to see God's hand interceding in her life in divine life changing ways This is a well written engaging narrative that will provide valuable biblical insights on how you too can say I saw that when God intervenes in your life Bob Russell Retired Senior Minister of Southeast Christian Church Everybody wants a miracle a Red Sea to be parted a giant to be slayed a mountain to be moved And while God can still part seas take down giants and move mountains often the most significant miracle is that God chooses to walk with His children in the daily grind of life that He knows our prayers before we speak them and knows the number of hairs on our head *I Saw That* is about the miracle of the minutiae We rarely miss the big things God does or the ways He answers our big bold prayers but we rarely see the small ways He cares for us speaks to us and dances over us mostly because we aren't looking But God is at work daily in the ordinary and mundane bringing all things together for our good It's never a matter of whether or not He is faithful It's always a matter of whether or not we see it If you're a follower of Jesus this book will strengthen your faith If you're not quite sure you believe in God it may just change your mind *Power to Overcome* Mary Ann Shepard Ash, 2003-07

Jackson, 2023-12-31 A chronicle of hope and inspiration Lifting Up Letting Go opens the doorway to each day with ringing words of inspiration from thirteen religious leaders inviting you to join them in a walk through your day 365 days of the year Your life is a living biography in which you animate to others the very essence of your being If no one else ever writes a book about your life you through journaling in Lifting Up Letting Go can give the world a snapshot of the life you lived while passing through this wonderful journey Don't let another moment go by without capturing your thoughts and making a commitment to the most important person in your life you *Laughter, She Wrote* Janet Sharpe Shoffner, 2016-01-06 Read for medicinal purposes only Large doses highly recommended For best results this book should not be shared make them buy their own copy Laughter soothes the soul and other body parts *The Gift of Self in Marriage* Anita Dowsing, 2007 One of the most striking features of life in the Catholic Church today is the ever widening gap between its official teaching on marriage and sexual morality and the practice of most of its lay members The book seeks to bridge this gap in two ways It considers some of the tacit assumptions about marriage and sexual morality in today's society since these affect Catholics as much as everybody else It also considers the Church's teaching in some of these areas and explores new ways of putting it across so that it can make sense to ordinary lay Catholics In doing so the author draws on contemporary writing as well as bringing her own reflections and experience of living the Church's teaching to bear on the subject The book is aimed at married couples those considering marriage as well as clergy and those involved in marriage preparation and counselling Anita Dowsing was born in Copenhagen in 1944 She was brought up as a member of Denmark's tiny Catholic community but has spent most of her adult life in the United Kingdom She has an M A in English Language and Literature from Copenhagen University and a Ph D in Old English from the University of Wales Anita Dowsing has spent most of her working life in Adult Religious Education in the Diocese of East Anglia as Co ordinator of the Norwich Deanery Team a member of the Diocesan Religious Education Commission and currently the Diocesan Marriage and Family

Life Commission She was a member of the East Anglia Steering Group for the Bishops Conference of England and Wales Listening 2004 project listening to family experience in every diocese and was one of the facilitators at the Bishops Conference Working Group which produced resource material on marriage and family life for parish use She is married with an adult daughter

**He's Been Faithful** Carol Cymbala,2011-01-04 Carol Cymbala s ministry in a tough inner city neighborhood in New York can be summed up in one word unlikely She is the director and songwriter for a Grammy Award winning choir yet she doesn t read music She is the pastor s wife in a 6 000 member congregation filled with people of color and she is white A shy girl who struggled to get through school she is the last person you d expect to stand before a packed house at Radio City Music Hall confidently directing The Brooklyn Tabernacle Choir But Carol s God is the God of the unlikely He s Been Faithful tells the story of the way God works despite or maybe because of our many inadequacies Because of how God has worked in her own life and in The Brooklyn Tabernacle and its world famous choir she knows how crucial it is to remember our desperate need for God But Carol s faith hasn t always come easily There have been times of wavering and challenge like the time a man walked down the aisle of the church pointing a gun at her husband Jim Or like the time she was assaulted outside the church Or like the time she wanted to pack up her children and run away from the city for good because of what was happening to her family He s Been Faithful is an honest story about the struggles we all face and the power of God to help us It is told through Carol s eyes as well as through the eyes of various members of The Brooklyn Tabernacle Choir who have experienced the grace of Christ in remarkable ways Through them we learn that our longings for God will never be satisfied by worship that is showy or performance based Instead God we will meet us when we come to him simply seeking his glory rather than ours telling him and the world around us about the great things he has done Whether you are a pastor a choir director or someone who is seeking a deeper experience of God He s Been Faithful will renew your faith and increase your understanding that only Jesus can fill that deep deep longing we all have for something

**Language Smugglers** Arianne Des Rochers, 2023-08-10 Translation is commonly understood as the rendering of a text from one language to another a border crossing activity where the border is a linguistic one But what if the text one is translating is not written in one language indeed what if no text is ever written in a single language In recent years many books of fiction and poetry published in so called Canada especially by queer racialized and Indigenous writers have challenged the structural notions of linguistic autonomy and singularity that underlie not only the formation of the nation state but the bulk of Western translation theory and the field of comparative literature Language Smugglers argues that the postnational cartographies of language found in minoritized Canadian literary works force a radical redefinition of the activity of translation altogether Canada is revealed as an especially rich site for this study with its official bilingualism and multiculturalism policies its robust translation industry and practitioners and the strong challenges to its national narratives

and accompanying language politics presented by Indigenous people the province of Qu bec and high levels of immigration
