### **Stimulus N Flashbacks 30 Years Searching For Balance:**

They Make a Difference Hada Sarhan, 2011-05-06 *They Make a Difference Men Say NO* contains a selection of nine interviews conducted by journalist Hada Sarhan during the tumultuous years following the 2003 occupation of Iraq. Each of the nine men she interviews rejects in part or in whole the Western orthodoxy regarding the Palestinian conflict and the war in Iraq. Their thoughts and words demonstrate that no is not an expression of resignation but rather an act of resistance to injustice. The interview subjects come from all over the world and include journalists, novelists, and politicians. Although their backgrounds are quite different, the nine men are connected by a common thread: each is either a decision maker or contributes through media or cultural clout to setting the agenda for those in charge of policy choices. By saying no to violence, war, and genocide, they are saying yes to peace and humanity. Instead of fanning the flames of division and hatred, these men are committed to fostering a dialogue between East and West based on mutual respect and understanding.

*Stimulus N Flashbacks* Larry E. Park, 2004-07 *Welcome to Havensburg 1935* Vivian McKenzie is the daughter of a man who is a wife beater and leader of the Ku Klux Klan. Vivian has grown up in a world where work is her life and fear is a daily event. Not only fear for herself but for her African American boyfriend Daniel. When their forbidden love is discovered by Michael, her stepfather, a bar is burned to the ground with Daniel and others of the same race still inside it. In the year of 2001, a restaurant known as The Pub is built on the land where the bar was burned. Eleven people gather to work at this place but they all hold a dark secret, not only that but they all contain a power. Some know and understand their purpose of coming together, as others are unsure of why. After each character experiences supernatural elements, they slowly discover secrets that have been hidden since birth, and as time ticks closer for the anniversary of the burning which occurred in 1935, they realize they are trapped in a world of nightmares, anxiety, and survival.
