Small Boat Cruising On Great Salt Lake Past And Present

J. Wallace Gwynn

Small Boat Cruising On Great Salt Lake Past And Present:

Small Boat Cruising on Great Salt Lake, Past and Present Marilyn Kraczek, 1995 **Great Salt Lake** Gary Topping, 2002 Probably Utah's most widely recognized topographical feature the Great Salt Lake is possibly also the state's least appreciated and understood one While visitors often feel compelled to take a closer look at it and even test its salinity by dipping a finger or a toe many native Utahns and tourists never take the time to explore the lake more extensively or to learn about its many facets Awaiting those who do so is the discovery of just how fascinating a place the lake is As Gary Topping points out in his introduction Great Salt Lake sounds like someone's literary fantasy a vast interior sea bordered by marshes and dotted with islands that support thousands of shore birds of a great variety of species yet flanked on other sides by an immense salt waste that forbids human habitation Great Salt Lake remains one of the world's most remarkable geological phenomena a place of beauty drama and complexity to challenge the most ambitious curiosity and imagination To encourage a deeper knowledge and understanding of this unique body of water Topping has assembled some of the best historical and contemporary writing on Great Salt Lake The authors include historical figures such as Osborne Russell Jedediah Smith John C Fremont Howard Stansbury and less known Alfred Lambourne a turn of the century artist and western Thoreau who sought solitude and contemplation by building a house on remote Gunnison Island Also included are selections from more recent writing about the lake among them pieces by well known historians Dale Morgan and Brigham Madsen and other essays that look at the varied ways recreational and economic that people have used or sought to use the lake The subjects of the collected pieces range from fantastic stories people tell about this odd inland sea to attempts they have made to exploit it for commercial value from exploration and emigration to recreation and resorts from the lake's prehistory to its future as development and population growth near its shores create conflicting demands and pressures **Cruising World**, 1979-01 *Visions of Antelope Island and Great Salt Lake* Marlin Stum, 1999 Marlin Stum journalist and nature writer grew up east of Antelope Island He has spent much of his life exploring it and Great Salt Lake in the field and through library research and he currently is a state park volunteer on the island Stum reviews Antelope's story in detail from the dramatic impact of natural cycles of fire and flood to the island's emblematic free roaming buffalo herd He covers geology and wildlife archaeology and history recreation and park management and other topics and he invariably considers Antelope Island in relation to the environment and history of Great Salt Lake and the Salt Lake Valley from which its story should not be separated Jacket *Cruising World*, 1979-01 **Cruising World**, 1979-01 *Cruising World*, 1980-01 **Cruising World**, 1980-07 **Cruising World**, 1980-07 **Cruising World**, 1980-07 **Cruising World**, 1980-07 **Cruising World**, 1986-01 Great Salt Lake J. Wallace Gwynn, 1980-06 Some forty seven individuals each specialists in some aspect of the lake or its environs have contributed to the articles in this compilation The resulting volume contains seven sections on the history and recreation geology and geophysics chemistry lake industries hydrology and climatology biology and

engineering of the Great Salt Lake It is hoped that this volume on one of the great wonders of the world the Great Salt Lake will be informative and of value to many people 400 pages 2 plates **Great Salt Lake National Park in Utah** United States.
