Thinking of men as shoes and dating as shopping, consider the following questions: Have you been shopping at the wrong store? Have you been thinking these shoes are perfect but are you trying to change the shoes you have into the shoes you want? Have you been walking around barefoot? Are you just window shopping? Is it hard to get real satisfaction from your current shopping style? If you answered yes to one of these questions, this fun and informative book is the right one for you. Book jacket.
