vegetable but some recipes use the preserved vegetable Most of the recipes are written so that you ll preserve small batches at a time simply because I find that adjusting recipes to scale up is easier than scaling down If your family likes a recipe or if you have enough of one vegetable to make two batches of a recipe just double the ingredients and it will work out fine The exception to this is any of the jam or jelly recipes don t ever double a jam or jelly recipe or you run the risk of it not setting up I hope you read through the whole book to get a vision for how these different preservation methods can work together to stock your pantry with food your family will eat Then when a vegetable is in season I hope you reread that vegetable s chapter and make a plan for preserving all of the harvest in a variety of ways Of course I hope that some of our favorite preservation recipes become your family favorites too *10 Herbs for Happy, Healthy Dogs* Kathleen Brown,2001-01-01
