The Cajuns Shane K. Bernard, 2009-09-28 The past sixty years have shaped and reshaped the group of French speaking Louisiana people known as the Cajuns. During this period they have become much like other Americans and yet have remained strikingly distinct. *The Cajuns: Americanization of a People* explores these six decades and analyzes the forces that had an impact on Louisiana's Acadiana. In the 1940s when America entered World War II so too did the isolated Cajuns. Cajun soldiers fought alongside troops from Brooklyn and Berkeley and absorbed aspects of new cultures. In the 1950s as rock n roll and television crackled across Louisiana airwaves Cajun music makers responded with their own distinct versions. In the 1960s empowerment and liberation movements turned the South upside down. During the 1980s as things Cajun became an absorbing national fad Cajun became a kind of brand identity used for selling everything from swamp tours to boxed rice dinners. At the dawn of the twenty first century the advent of a new information age launched Cyber Cajuns onto a worldwide web. All these forces have pushed and pulled at the fabric of Cajun life but have not destroyed it. A Cajun himself the author of this book has an intense personal fascination in his people. By linking seemingly local events in the Cajuns once isolated south Louisiana homeland to national and even global events Bernard demonstrates that by the middle of the twentieth century the Cajuns for the first time in their ethnic story were engulfed in the currents of mainstream American life and yet continued to make outstandingly distinct contributions.

Cajun Pig: Boucheries, Cochon de Lait and Boudin Dixie Poché, 2020 Southwest Louisiana is famous for time honored gatherings that celebrate its French Acadian heritage. And the culinary star of these gatherings? That's generally the pig. Whether it's a boucherie, the Cochon de Lait in Mansura or Chef John Folse's Fete des Bouchers where an army of chefs steps back three hundred years to demonstrate how to make blood boudin and smoked sausage, ever resourceful Cajuns use virtually every part of the pig in various savory delights. The author traverses Cajun country to dive in to the recipes and stories behind regional specialties such as boudin, cracklings, gumbo and hogs head cheese. From the Smoked Meats Festival in Ville Platte to Thibodaux's Bourgeois Meat Market where miles of boudin have been produced since 1891, this is a mouthwatering dive into Cajun devotion to the pig.
