Stephen Joseph Williams

Stepfamilies A Guide To The Sources And Resources:

Stepfamilies Ellen J. Gruber,1986 *Women and Stepfamilies* Nan Maglin,2009-01-28 Describes the unique and varied experiences of women in stepfamilies as told by the women themselves Employed Mothers and Their Children Jacqueline V. Lerner,Nancy L. Galambos,2021-04-14 In 1969 the author wrote a letter to Science protesting the unfair treatment of academic mothers who were expected to work full time Her problem with balancing work and family life was typical of the problems of most young parents in the United States More than 20 years later the same problems have not been solved even though more than twice as many families are headed by a fully employed parent or parents In this volume the authors survey the many problems of employed parents and their children Documenting problems by sound research and pointing to the future solutions is a valuable contribution to the psychological literature **The Complete Idiot's Guide to Stepparenting** Erika Lutz,1998-04-01 You re no idiot of course You know how to push a toddler on a swing the recipe for the gooey chocolate chip cookies and even how to get teens to confide in you Your own kids think you re hip too although they d never admit to it But when it comes to figuring out how not to come across as the wicked stepparent you feel like you need a magical potion Don t reach for the garlic yet The Complete Idiot s Guide to Stepparenting gives you sanity saving advice for dealing with the stepfamily getting to know your stepchildren and feeling confident in your role **Children of Poverty** Barry S. Zuckerman,Hiram E. Fitzgerald,Barry M. Lester,2021-03-19 A collection of the Proceedings of a Society for Research in Child Development Round Table held in 1993 by the Society for Research in Child Development SRCD The intent of the round tables was to help chart the course for child development research health care and public policy for the next ten years The contributors believe the papers presented and the round table discussions along with their broader distribution in this volume do indeed offer useful insights and powerful guidance to researchers policy makers and practitioners and interventionists with a vast range of professional training Guides to Library Collection Development John Thomas Gillespie,Ralph J. Folcarelli,1994-08-15 Intended to enhance collection development in school public and college libraries this volume lists and annotates approximately 1 500 significant bibliographies published from 1985 through 1993 with some earlier but still useful publications Annotations indicate scope of the work size often the number of entries kinds of material included purpose arrangement nature of entries indexes special features and a recommendation Author title and subject indexes provide easy access to the entries With its deep and comprehensive coverage this work will help not only in the process of selecting and acquiring materials for the library but also in the process of identification of items for reference readers advisory interlibrary loan and collection evaluation Therapy with Stepfamilies Emily B. Visher,John S. Visher,2013-04-15 The author proceed to regard stepfamilies as different not better or worse than the nuclear family for successful therapy While it is designed to be concise the book offers a comprehensive look at this topic The Vishers have crafted a text that will be equally useful to therapists working with stepfamilies those unfamiliar with the field and as a text
