Stephen Biko:

Steve Biko Lindy Wilson, 2012-07-04 Steve Biko inspired a generation of black South Africans to claim their true identity and refuse to be a part of their own oppression Through his example he demonstrated fearlessness and self esteem and he led a black student movement countrywide that challenged and thwarted the culture of fear perpetuated by the apartheid regime He paid the highest price with his life The brutal circumstances of his death shocked the world and helped isolate his oppressors This short biography of Biko shows how fundamental he was to the reawakening and transformation of South Africa in the second half of the twentieth century and just how relevant he remains Biko's understanding of black consciousness as a weapon of change could not be more relevant today to restore people to their full humanity As an important historical study this book's main sources were unique interviews done in 1989 before the end of apartheid by the author with Biko's acquaintances many of whom have since died Steve Biko Linda Price, 1992 This series honours the lives of southern African leaders who helped shape the history of the region The books include activities for exploration in the classroom *I Write What I Like* Steve Biko, 2002-09 Originally published London Bowerdean Press 1978 With new introductory material **Biko** Donald Woods, 2021-05-13 Editor of a leading anti apartheid paper Donald Woods was a friend of Steve Biko Founder of the Black Consciousness Movement and went into exile in order to write his testimony about the life and work of a remarkable man **No Fears Expressed** Millard Arnold, 2017-09-01 Immerse yourself in the profound wisdom of Steve Biko the iconic Black Consciousness leader and activist in this compelling compilation of his most powerful quotes First published in 1987 No Fears Expressed is a compilation of quotes taken from the words of the activist and Black Consciousness leader Steve Biko Sourced from the iconic *I Write What I Like* including the collection of Biko's columns published in the journal of the South Africa Student Organisation under the pseudonym of Frank Talk as well as from *The Testimony of Steve Biko* edited by Millard W Arnold this book contains many inspirational quotes and thoughts that are still relevant in South African society today Biko's words fall under a wide range of topics including racism black white relations remedies for apartheid colonialism black rage and township life All are topics that reflect the ever present divide that exists between black and white South Africans His place in history is firmly cemented and the struggle that he gave his life for continues He left a legacy of thoughts and words and these words pay tribute to the courage and power of the young leader who was to become one of Africa's heroes **The Testimony of Steve Biko** Steve Biko, 2017-10-01 What comes first to mind when one thinks of political trials in South Africa are the Rivonia Trial of 1956-61 and the Treason Trial of 1963-64 Rarely if ever is the 1976 SASO BPC trial mentioned in the same breath and yet it was perhaps the most political trial of all The defendants all members of the South African Students Organisation or the Black People's Convention were in the dock for having the temerity to think to have opinions to envisage a more just and humane society It was a trial about ideas but as it unfolded it became a trial of the entire philosophy of Black Consciousness and those who championed its cause On 2 May

1976 senior counsel for the defence in the trial of nine black activists in Pretoria called to the witness stand Stephen Bantu Biko Although Biko was known to the authorities and indeed was serving a banning order not much about the man was known by anyone outside of his colleagues and the Black Consciousness Movement That was about to change with his appearance as a witness in the SASO BPC case He entered the courtroom known to some but after his four day testimony he left as a celebrity known to all **Biko - Cry Freedom** Donald Woods,1987-11-15 A revised edition this text presents a biography of the life and concerns of Steve Biko Resolutions to Investigate Steve Biko's Death and to Condemn the Government of South Africa for Massive Violations of the Civil Liberties of the People of South Africa United States.
