**Dark, No Stars** Stephen King, 2011-09-20 I believe there is another man inside every man a stranger writes Wilfred Leland James in the early pages of the riveting confession that makes up 1922 the first in this pitch black quartet of mesmerizing tales from Stephen King For James that stranger is awakened when his wife Arlette proposes selling off the family homestead and moving to Omaha setting in motion a gruesome train of murder and madness In Big Driver a cozy mystery writer named Tess encounters the stranger along a back road in Massachusetts when she takes a shortcut home after a book club engagement Violated and left for dead Tess plots a revenge that will bring her face to face with another stranger the one inside herself Fair Extension the shortest of these tales is perhaps the nastiest and certainly the funniest Making a deal with the devil not only saves Dave Streeter from a fatal cancer but provides rich recompense for a lifetime of resentment When her husband of more than twenty years is away on one of his business trips Darcy Anderson looks for batteries in the garage Her toe knocks up against a box under a worktable and she discovers the stranger inside her husband It s a horrifying discovery rendered with bristling intensity and it definitively ends a good marriage Like Different Seasons and Four Past Midnight which generated such enduring films as The Shawshank Redemption and Stand by Me Full Dark No Stars proves Stephen King a master of the long story form **Stephen King Classic Collection** Stephen King, 2018-09-20 **Stephen King Collection [Binge Reads]** Stephen King, 1974 [The Stephen King Collection](#) Stephen King, Performed by John Glover, 1995 Gray Matter The Bogeyman I Know What You Need Strawberry Spring The Woman in the Room Battleground and more [The Complete Stephen King Universe](#) Stan Wiater, Stanley Wiater, Christopher Golden, Hank Wagner, 2006-05-30 The Complete Stephen King Universe is the only definitive reference work that examines all of Stephen King s novels short stories motion pictures miniseries and teleplays and deciphers the threads that exist in all of his work This ultimate resource includes in depth story analyses character breakdowns little known facts and startling revelations on how the plots themes characters and conflicts intertwine publisher website February 2007 *Just After Sunset EXP* Stephen King, 2009-08-04 Subtle haunting terrifying this astonishing collection of short stories from 1 bestselling author Stephen King includes the short story N Stephen King who has written more than fifty books dozens of number one New York Times bestsellers and many unforgettable movies delivers an astonishing collection of short stories his first since Everything s Eventual six years ago As guest editor of the bestselling Best American Short Stories 2007 King spent over a year reading hundreds of stories His renewed passion for the form is evident on every page of Just After Sunset The stories in this collection have appeared in The New Yorker Playboy McSweeney s The Paris Review Esquire and other publications Who but Stephen King would turn a Port O San into a slimy birth canal or a roadside honky tonk into a place for endless love A book salesman with a grievance might pick up a mute hitchhiker not knowing the silent man in the passenger seat listens altogether too well Or an exercise routine on a stationary bicycle begun to reduce bad cholesterol might take its rider on a captivating and then terrifying journey Set on a remote key in Florida The Gingerbread Girl is a riveting tale featuring a

young woman as vulnerable and resourceful as Audrey Hepburn's character in *Wait Until Dark*. In *Ayana*, a blind girl works a miracle with a kiss and the touch of her hand. For King, the line between the living and the dead is often blurry, and the seams that hold our reality intact might tear apart at any moment. In one of the longer stories here, *N*, which broke new ground when it was adapted as a graphic digital entertainment, a psychiatric patient's irrational thinking might create an apocalyptic threat in the Maine countryside or keep the world from falling victim to it. Just after sunset, call it dusk, call it twilight, it's a time when human intercourse takes on an unnatural cast when nothing is quite as it appears when the imagination begins to reach for shadows as they dissipate to darkness and living daylight can be scared right out of you. It's the perfect time for Stephen King.

**Stephen King's Contemporary Classics** Philip L. Simpson, Patrick McAleer, 2014-11-13 Many readers know Stephen King for his early works of horror from his fiction debut *Carrie* to his blockbuster novels *The Shining*, *The Stand*, and *Misery* among others. While he continues to be a best-selling author, King's more recent fiction has not received the kind of critical attention that his books from the 1970s and 1980s enjoyed. Recent novels like *Duma Key* and *11/22/63* have been marginalized and arguably cast aside as anomalies within the author's extensive canon. In *Stephen King's Contemporary Classics: Reflections on the Modern Master of Horror*, Philip L. Simpson and Patrick McAleer present a collection of essays that analyze, assess, and critique King's post-1995 compositions. Purposefully side-stepping studies of earlier work, these essays are arranged into three main parts: the first section examines five King novels published between 2009 and 2013, offering genuinely fresh scholarship on King; the second part looks at the development of King's distinct brand of horror; the third section departs from probing the content of King's writing and instead focuses on King's process. By concentrating on King's most recent writings, this collection offers provocative insights into the author's work, featuring essays on *Dr. Sleep*, *Duma Key*, *The Girl Who Loved Tom Gordon*, *Joyland*, *Under the Dome*, and others. As such, *Stephen King's Contemporary Classics* will appeal to general fans of the author's work as well as scholars of Stephen King and modern literature.

**Screening Stephen King** Simon Brown, 2018-02-28 Gathers together the unruly mess of King adaptations and places it within the sociocultural and industrial context of four decades of horror. Philip L. Simpson, author of *Psycho Paths*, starting from the premise that Stephen King has transcended ideas of authorship to become his own literary, cinematic, and televisual brand. *Screening Stephen King* explores the impact and legacy of over forty years of King film and television adaptations. Simon Brown first examines the reasons for King's literary success and then, starting with Brian De Palma's *Carrie*, explores how King's themes and style have been adapted for the big and small screens. He looks at mainstream multiplex horror adaptations from *Cujo* to *Cell*, low-budget DVD horror films such as *The Mangler* and *Children of the Corn*, franchises, non-horror films including *Stand by Me* and *The Shawshank Redemption*, and TV works from *Salem's Lot* to *Under the Dome*. Through this discussion, Brown identifies what a Stephen King film or series is or has been, how these works have influenced film and TV horror, and what these influences reveal about the shifting preoccupations and industrial contexts of the post-

1960s horror genre in film and TV Well written It really is the most exhaustive analysis of Stephen King on the screen that has ever been written Cinepunx This book is not only essential as a study of Stephen King and his works adapted to the big and small screen it is also an exemplary study of the evolution of the horror genre in its ebb and flow from literary adaptation to gore laden saturation and beyond since the mid 1970s Sorchia N Fhlainn author of Postmodern Vampires *Night Shift* Stephen King,1979 For use in schools and libraries only Twenty stories of horror and nightmarish fantasy transform everyday situations into experiences of compelling terror in the worlds of the living the dying and the nonliving **Stephen King's Maine** Sharon Kitchens,2024-05-20 Much of Western Maine reads like a Stephen King novel The dense dark woods and backcountry ponds The century old houses with gravel driveways and immense flower gardens acres of farmland miles from a highway Serpentine country roads dotted with farmstands and picturesque main streets lined with battered pickups Places where especially during the dark and rainy days of October and November things can get downright spooky Author Sharon Kitchens identifies the locations that serve as the basis for King s fictional towns of Castle Rock Jerusalem s Lot Derry and Haven Drawing on historical materials and conversations with locals and people who know King the author sheds light on daily life in places that would become the settings for Carrie Salem s Lot The Dead Zone Cujo IT and 11 22 63 Stephen King's America Jonathan P. Davis,1994 Follows themes relating to life in America as they thread through the many works of popular horror writer King Among them are personal morality childhood innocence and adult corruption technology capitalism autonomy and conformity and survival Includes four interviews with experts on King s writing Paper edition unseen 14 95 Annotation copyright by Book News Inc Portland OR **Methods and Meaning in the Novels of Stephen King** James Arthur Anderson,2024-08-21 This book explores the techniques themes and subtexts in the fictional works of one of America s best known and most loved storytellers Stephen King Each of King s novels are analyzed in chronological order of their publication from Carrie to Holly Every novel s analysis includes a background and summary narrative devices archetypes that influenced the novel themes and subtexts human universals interesting facts and notable quotes As an invaluable resource for any Stephen King Constant Reader and students of literature in general this work appreciates the beauty of King s fiction without needing to master the jargon of contemporary literary criticism **The Bazaar of Bad Dreams** Stephen King,2015-11-03 A collection of twenty stories dealing with morality the afterlife guilt and more with autobiographical comments on when why and how Stephen King came to write each story **Binge Reading Collection** Stephen King,2016 **Binge Reading Collection** Stephen King,2016
