**City Folk** Daniel J. Walkowitz,2013-07-22 This is the story of English Country Dance from its 18th century roots in the English cities and countryside to its transatlantic leap to the U S in the 20th century told by not only a renowned historian but also a folk dancer who has both immersed himself in the rich history of the folk tradition and rehearsed its steps In **City Folk** Daniel J Walkowitz argues that the history of country and folk dancing in America is deeply intermeshed with that of political liberalism and the old left He situates folk dancing within surprisingly diverse contexts from progressive era reform and playground and school movements to the changes in consumer culture and the project of a modernizing cosmopolitan middle class society Tracing the spread of folk dancing with particular emphases on English Country Dance International Folk Dance and Contra Walkowitz connects the history of folk dance to social and international political influences in America Through archival research oral histories and ethnography of dance communities **City Folk** allows dancers and dancing bodies to speak From the norms of the first half of the century marked strongly by Anglo Saxon traditions to the Cold War nationalism of the post war era and finally on to the counterculture movements of the 1970s **City Folk** injects the riveting history of folk dance in the middle of the story of modern America **Astaire by Numbers** Todd R. Decker,2022 **Astaire by Numbers** looks at every second of dancing Fred Astaire committed to film in the studio era all six hours thirty four minutes and fifty seconds Using a quantitative digital humanities approach as well as previously untapped production records author Todd Decker takes the reader onto the set and into the rehearsal halls and editing rooms where Astaire created his seemingly perfect film dances Watching closely in this way reveals how Astaire used the technically sophisticated resources of the Hollywood film making machine to craft a singular career in mass entertainment as a straight white man who danced Decker dissects Astaire s work at the level of the shot the cut and the dance step to reveal the aesthetic and practical choices that yielded Astaire s dancing figure on screen He offers new insights into how Astaire secured his masculinity and his heterosexuality along with a new understanding of Astaire s whiteness which emerges in both the sheer extent of his work

and the larger implications of his famous full figure framing of his dancing body Astaire by Numbers rethinks this towering straight white male figure from the ground up by digging deeply into questions of race gender and sexuality ultimately offering a complete re assessment of a twentieth century icon of American popular culture Broadway Boogie Woogie D. Schwarz,2003-04-18 While analyzing Damon Runyon s high spirited work in terms of historical contexts popular culture and of the changing function of the media Schwarz argues that in his columns and stories Runyon was an indispensable figure in creating our public images of New York City culture including our interest in the demi monde and underworld that explains in part the success of The Godfather films and The Sopranos In his lively and exuberant chapters that include a panoramic view of New York City between the World Wars with a focus on its colourful nightlife Schwarz examines virtually every facet of Runyon s career from sports writer daily columnist trial reporter and Hollywood figure to the author of the still widely read short stories that were the source of the Broadway hit Guys and Dolls As part of his discussion of Runyon s art and the artistry of Runyon s fiction Schwarz skilfully examines the special language of the Broadway stories known as Runyonesque and explains how Runyonesque has become an adjective for describing flamboyant behaviour **Children of the City** David Nasaw,2012-09-18 The turn of the twentieth century was a time of explosive growth for American cities a time of nascent hopes and apparently limitless possibilities In Children of the City David Nasaw re creates this period in our social history from the vantage point of the children who grew up then Drawing on hundreds of memoirs autobiographies oral histories and unpublished and until now unexamined primary source materials from cities across the country he provides us with a warm and eloquent portrait of these children their families their daily lives their fears and their dreams Illustrated with 68 photographs from the period many never before published Children of the City offers a vibrant portrait of a time when our cities and our grandparents were young *Domesticating Drink* Catherine Gilbert Murdock,2003-03-04 Selected by Choice Magazine as an Outstanding Academic Title The period of prohibition from 1919 to 1933 marks the fault line between the cultures of Victorian and modern America In Domesticating Drink Murdock argues that the debates surrounding alcohol also marked a divide along gender lines For much of early American history men generally did the drinking and women and children were frequently the victims of alcohol associated violence and abuse As a result women stood at the fore of the temperance and prohibition movements and as Murdock explains effectively used the fight against drunkenness as a route toward political empowerment and participation At the same time respectable women drank at home in a pattern of moderation at odds with contemporaneous male alcohol abuse During the 1920s with federal prohibition a reality many women began to assert their hard won sense of freedom by becoming social drinkers in places other than the home Murdock s study of how this development took place broadens our understanding of the social and cultural history of alcohol and the various issues that surround it As alcohol continues to spark debate about behaviors attitudes and gender roles Domesticating Drink provides valuable historical context and important lessons for understanding and responding to the

evolving use and abuse of drink      Blacks in Blackface: A Sourcebook on Early Black Musical Shows Henry T.
