Steps to Christ How to Know Him Better Charles Sheldon, 2016-02-07 Steps to Christ How to Know Him Better By Charles Sheldon     **Knowing Him Better** Ellen Gould Harmon White, 1982     Your First Step to Celebrate Recovery, Updated John Baker, 2025-07-15 The program that has helped over six million people overcome their hurts hang ups and habits You ve undoubtedly heard the expression time heals all wounds Unfortunately it isn t true As many pastors and counselors know people still carry hurts from thirty or forty years ago The truth is time often makes things worse Wounds that are left untended fester and spread infection throughout your entire body Time only extends the pain if the problem isn t dealt with Your First Step to Celebrate Recovery introduces you to a biblical and balanced program that has helped nearly six million people overcome their hurts hang ups and habits Based on the actual words of Jesus found in the Sermon on the Mount rather than psychological theory the Celebrate Recovery program has helped people for over 35 years to grow toward full Christ like maturity Author and founder John Baker tells the true story of how Celebrate Recovery became one of the largest Christ centered recovery programs in history Baker will help you discover how God s love truth grace and forgiveness can bring healing into your life     **Herald of Gospel Liberty** Elias Smith, 1913     **The Burning Bush** , 1926     **10 Steps to the New Spiritual You** Mike Mazzalongo, This small group series is devoted to mature Christians who want to take their Christian experience to another level of spirituality     Whispers Kimberly MacNeill, 2014-09-26 Our lives are always changing and it can be confusing when we are in the middle of some new thing God is doing in us But if we are aware of who God is and how he works change can be a little less intimidating and a little more faith building our eyes can see a little more clearly and our hearts trust a little more deeply as God shapes and molds us This book is full of whispers whispers of truth hope and love I know that sometimes truth is hard to hear when someone is shouting it so I whispered it I know how hard it is when the future seems desperate and impossible so I whispered hope And as for the whispers of love I hope you hear them deeply I wrote them but they are from God For he is the one who knows you best and loves you most he is the one with the plan and the purpose the presence and the power to transform your life He is the one who wonderfully made you in the beginning and he is the one who can see the beautiful creation you are and are becoming I am certain that God who began the good work within you will continue his work until it is finally finished on the day when Christ Jesus returns Philippians 1 6 NLT     *Christian Work* , 1895     *The Cambrian* , 1894     **Navigate the Strait** Bradford G. Smith, 2020-12-23 A dying father s testimony to his children about faith covenants and eternal life Navigate the Strait is an insightful look at one man s journey through an active life of teaching in The Church of Jesus Christ of Latter day Saints which is ending in the slow downward spiral of ALS also known as Lou Gehrig s Disease Yet his happy sustaining faith and his love for his all caring Tiffany and their three children Lincoln Edison and Abigail drive his passion to finish this book He wants his family and friends to KNOW him better after the disease will likely take his life This book is a must for anyone who wants to teach

understand or gain the strength to live the gospel of Jesus Christ You will find in it stories ideas and teaching examples that express the doctrine of Christ in simple ideas that make life better I m just a normal guy with a testimony of Jesus Christ Then I got ALS Bummer ALS is taking away everything that I am good at speaking typing fixing things hugging my wife and children I am writing this book with one finger on a mouse or with my eyes controlling my iPhone On the bright side I finally have something in common with Stephen Hawking Now that my disease has reduced my life to complete dependence on others what am I worth Well I am still a good teacher I love my Savior I love the restored gospel of Jesus Christ I look at the gospel in a nonlinear fashion thinking critically about how gospel teachings connect to one another and to our personal struggles If all truth is circumscribed into one whole we need to think deeply and sometimes creatively about how the gospel connects to us and to others Since ALS will take my life I will likely not be around to teach these ideas to my kids in the moment they need a lesson I pray that this little book of Dad s testimony will help my children and grandchildren as they grow and need answers to their questions If you happen to read it and if it helps you on your journey that s great too When we meet let me know what you liked Most of my writings are about The Church of Jesus Christ of Latter day Saints While I present many ideas within the framework of church doctrine and culture I hope that anyone can learn something useful from what I have learned I am no scriptorian I have never taught religion at BYU I don t know the location of the Ark the lost tribes of Israel the Book of Mormon cities or Nikola Tesla s death ray These ideas are my own based on my prayerful study of doctrine and scriptures But don t just take my word go to the source and see for yourself If anything in this book conflicts with living prophet then I am wrong Stick with the prophet I do know that Jesus Christ is the Savior and Redeemer of all mankind I know that he loves you and me even when life gets hard If you have never looked into The Church of Jesus Christ of Latter day Saints I encourage you to visit [ComeUntoChrist.org](http://ComeUntoChrist.org) to learn the basics You can ask questions and even invite missionaries to visit your house and share a message with your family You will discover that the kingdom of God has been restored to the earth in The Church of Jesus Christ of Latter day Saints You will hear about a living prophet of Christ on the earth who speaks with authority like Moses Elijah or Peter And you will learn more about Jesus Christ in the Book of Mormon as a companion to the Bible That is what we mean when we say it s true This book is my attempt to dive deeper into those simple truths It is organized by topic so feel free to jump around and to jump out to the scriptures I hope this book makes you happy
