Steps to Christ Study Guide Gail Bremner,1994 This study guide is designed to encourage the youth and the young at heart to understand and experience more fully a living relationship with Jesus In studying Steps to Christ with a group of youth we found the crossword puzzle format to be very effective The idea for this format came after much prayer regarding the study group Then providences showed us that it should be shared with others Our prayer is that this way of study will bless you as it has blessed us *Steps to Christ* Ellen G. White,2013-07 STEPS TO CHRIST By Ellen G White Preface UPON many ears there fall the words of the gracious invitation Come unto Me that call of a compassionate Saviour whose heart of love is drawn out toward all who are wandering away from God and in the hearts of many who are really longing for the help to be found in Jesus there is quickened the purpose to return to the Father s house With such the inquiry of Thomas is oft repeated How can we know the way The Father s house seems to be a long way off and the road appears difficult and uncertain What are the steps which lead homeward The title of this book tells its mission It points to Jesus as the only one who is able to meet the needs of the soul and directs the feet of the doubting and the halting to the pathway of peace It leads the seeker after righteousness and wholeness of character step by step along the way of the Christian life to that fulness of blessing which is found in the complete surrender of self and an unwavering trust in the saving grace and the keeping power of the Friend of sinners The instruction found in these pages has brought comfort and hope to many a troubled soul and has enabled many followers of the Master to walk more confidently and more joyfully in the steps of their divine Leader It is hoped that it may bear the same message to many more who are needing the same help There let the way appear Steps up to heaven So it was with Jacob when oppressed with the fear that his sin had cut him off from God he lay down to rest and he dreamed and behold a ladder set up on the earth and the top of it reached to heaven The connection between earth and

heaven was thus revealed to him and words of comfort and hope were spoken to the wanderer by Him who stood at the top of the shadowy stairs May the heavenly vision be repeated to many as they read this story of the way of life PUBLISHERS

Windham Press is committed to bringing the lost cultural heritage of ages past into the 21st century through high quality reproductions of original classic printed works at affordable prices This book has been carefully crafted to utilize the original images of antique books rather than error prone OCR text This also preserves the work of the original typesetters of these classics unknown craftsmen who laid out the text often by hand of each and every page you will read Their subtle art involving judgment and interaction with the text is in many ways superior and more human than the mechanical methods utilized today and gave each book a unique hand crafted feel in its text that connected the reader organically to the art of bindery and book making We think these benefits are worth the occasional imperfection resulting from the age of these books at the time of scanning and their vintage feel provides a connection to the past that goes beyond the mere words of the text
