Achieve Goals with the Magic Word Simone Janson, 2025-05-28 Also in the 7th revised and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage At the same time you do good and support sustainable projects Because appreciation is important for everyone and so it is not surprising that honest gratitude works wonders Anyone who feels appropriately valued by others automatically becomes more open and accessible to their wishes The reason for this is our brain which activates the reward center due to encouragement and simultaneously inhibits the fear center So sincere gratitude has a direct positive effect on another person's creativity motivation and ability to relate But gratitude and praise are not a one way street and certainly not manipulation techniques that can be turned on and off at will Only when gratitude is truly sincere does it have a lasting effect The old rule applies Whoever strengthens encourages and motivates other people will
