(Bill) Morgan Thd, 2012-11 Most churches have a poor to non-existent method of training new Christian converts Therefore the new convert has very little knowledge on how to make the transition from living the sinner's life living a separated life that is filled with forgiveness and charity They aren't trained to forgive and forget the sins and trespasses that are rendered against them They know not that the Holy Spirit lives in their heart and will tell them exactly what to do in every step they take and how to respond to every encounter they have whether it be positive or negative They know not that God will take care of them regardless in the wake of slander financial hardships or physical devastation They hear sermons from the pulpit about tithing but have no concept how to start or how it will affect their life if they start tithing on a regular basis They are unprepared to deal with gossip and verbal bullying that they will encounter They are members of a church for years and have no concept of how to effectively pray in public or how to witness effectively to a lost person This book is not written for a specific denomination It is written as a guide to all new converts      **First Steps: New Believers Training Kit** Joseph D. Perry, 2022-01-27 Jesus teaches us to pray Give us this day our daily bread But what does that really mean Obviously Jesus was not telling his disciples to simply pray

for a morsel of literal bread every day right Isn't that obvious Bread in the Bible was a powerful symbol of God's provision the act of supplying with food drink or equipment for a journey So when you pray Give us this day our daily bread you are actually saying God I need you to supply me with everything I need to make it through this journey of life and I need you to do it EVERY DAY Well here it is all contained in this workbook coupled with the corresponding video presentation Simply spend 20-30 minutes with God every day and He will serve you His daily provision and every area of your life will grow to a remarkable and exponential proportion You will become very close to your Heavenly Father You will feel Him and hear Him speak to you every day What a wonderful unexplainable feeling Here is the daily Time with God formula P R S P P Pray 3-5 minutes R Read 5-10 minutes S Study 10-15 minutes P Pray 3-5 minutes You've prayed for years Give us this day our DAILY BREAD well now here it is
