Steptoe And Son 12:

Harry H. Corbett: The Front Legs of the Cow Susannah Corbett, 2011-11-30 Harry H Corbett rose from the slums of Manchester to become one of the best known television stars of the 20th century Having left home as a 17 year old Royal Marine during the Second World War he fought in the North Atlantic and the jungles of the Pacific and witnessed first hand the devastation wrought by the Hiroshima bomb On his return home he wandered into the local theatre company and landed a starring role The Front Legs of the Cow Soon becoming a leading light in Joan Littlewood's Theatre Workshop and a widely respected classical stage actor his life was changed forever by the television comedy Steptoe and Son Overnight he became a household name as the series drew unparalleled viewing figures of over 28 million with fans ranging from the working classes to the Royal Family Naturally shy and a committed socialist fame and fortune didn't sit easily on his shoulders and for the next twenty years until his untimely death at the age of only 57 he had to learn how to be Arold Written by his daughter Susannah Corbett an actor herself this is the first biography of Harry H Corbett the man who was once described as being the English Marlon Brando *The British Sitcom Spinoff Film* Stephen Glynn, 2023-12-07 This book constitutes the first full volume dedicated to an academic analysis of theatrically released spinoff films derived from British radio and television sitcoms Regularly maligned as the nadir of British film production and marginalised as a last resort for the financially bereft industry during the 1970s this study demonstrates that the sitcom spinoff film has instead been a persistent and important presence in British cinema from the 1940s to the present day and includes occasional works with distinct artistic merit Alongside an investigation of the economic imperative underpinning these productions i.e the exploitation of proven product with a ready made audience it is argued that with a longevity stretching from Arthur Askey and his wartime Band Waggon 1940 to the crew of Kurupt FM and their recent People Just Do Nothing Big in Japan 2021 the British sitcom spinoff can be interpreted as following a full generic life cycle Starting with the formative stage where works from Hi Gang 1941 to I Only Arsked 1958 establish the genre's characteristics the spinoff genre moves to its classic stage where secure for form and content it enjoys considerable popular success with films like Till Death Us Do Part 1969 On the Buses 1971 The Likely Lads 1976 and Rising Damp 1980 the genre's revival since the late 1990s reveals a more parodic final stage with films like The League of Gentlemen's Apocalypse 2005 adopting a consciously self reflective mode It is also posited that the sitcom spinoff film is a viable source for social history with the often stereotypical representations of characters and events an often blatant ideological metonym for the concerns of wider British society notably in issues of class race gender and sexuality

Scratchin' and Survivin' Adrien Sebro, 2023-11-10 Providing a critical history of Tandem Productions the company behind nearly all the hit Black sitcoms of the 1970s including Good Times The Jeffersons Sanford and Son and Diff'rent Strokes Adrien Sebro explores how their sitcom plots paralleled what was happening behind the scenes as talented African Americans devised strategies to gain creative agency and fair financial compensation A State of Play Steven

Fielding,2014-04-24 A State of Play explores how the British have imagined their politics from the parliament worship of Anthony Trollope to the cynicism of The Thick of It In an account that mixes historical with political analysis Steven Fielding argues that fictional depictions of politics have played an important but insidious part in shaping how the British think about their democracy and have helped ventilate their many frustrations with Westminster He shows that dramas and fictions have also performed a significant role in the battle of ideas in a way undreamt of by those who draft party manifestos The book examines the work of overtly political writers have treated the subject discussing the novels of H G Wells the comedy series Yes Minister and the plays of David Hare However it also assesses how less obvious sources such as the films of George Formby the novels of Agatha Christie the Just William stories and situation comedies like Steptoe and Son have reflected on representative democracy A State of Play is an invaluable distinctive and engaging guide to a new way of thinking about Britain s political past and present **'You Dirty Old Man!'** David Clayton,2022-08-04 Wilfrid Brambell was one of Britain s most loved and complex character actors As Albert Ladysmith Steptoe the unscrupulous rag and bone man with questionable habits in Ray Galton and Alan Simpson s long running Steptoe Son he quickly became a household name with co star Harry H Corbett But despite scores of other successes in roles on stage TV and film Brambell died a sad and lonely man Alongside fame and fortune You Dirty Old Man reveals how Brambell suffered unbelievable personal heartache battling an inner turmoil that eventually drove him to drink as his marriage collapsed in the most deceitful circumstances imaginable His torment led to a secretive life off camera where he did everything possible to stay out of the public eye Featuring original interviews with film directors Richard Lester Terence Davies and Tony Palmer as well as recollections from his own family members the family of Harry H Corbett and those who worked alongside him author David Clayton seeks to re examine the legacy of a man whose loyal fanbase remains undiminished sixty years on from his heyday *Terry Nation* Jonathan Bignell,Andrew O'Day,2004 This is the first academic study of the science fiction television devised and written by Terry Nation who wrote Dalek stories and other serials for Doctor Who and created the BBC s 1970s post apocalyptic space adventure series Blake s 7 Back cover *Britcoms: The 90 Greatest British Sitcoms of All Time* Claudia Morgan, British sitcoms have long been celebrated for their wit charm and ability to capture the quirks of everyday life In Britcoms The 90 Greatest British Sitcoms of All Time you ll embark on a journey through the golden moments of British television comedy exploring the shows that have made us laugh think and sometimes even cry This book is a comprehensive guide to the finest British sitcoms from the timeless hilarity of Fawlty Towers and the sharp satire of Yes Minister to the quirky brilliance of The IT Crowd and the suburban antics of Gavin Stacey Each chapter is dedicated to a single sitcom offering an in depth look at its creation cultural impact and the memorable characters that have become beloved household names Whether you grew up with the classic charm of Dad s Army found yourself relating to the struggles of The Office or were captivated by the irreverent humor of Blackadder this book covers it all It s a must have for fans of British comedy With Britcoms you ll revisit
