**The Magic of Viral Energy** Penelope Jean Hayes, 2019-11-05 Want to find your person improve your wellbeing and be successful at your passions *The Magic of Viral Energy* MOVE offers a fun and compelling narrative told through true short stories Its message is for seekers those intrepids who want to squeeze the lemons of life and discover their full potential While meditating in 2007 Penelope Jean Hayes experienced the contagious nature of energy and a phenomenon she calls osmotic energy balancing Over the next decade she intuited a system of creation involving seven levels of energy ascending from dense and heavy upward to enlightenment She shares that each of us has an energetic presence that flows within one of these levels and that we only have access to the energies that reside there Except that we have the ability to move to higher strata accessing the light energies that create more of what we truly want MOVE reveals provocative insights into the universe our relationships the energetic antidote to unhappiness and the common cold and our need to move from power through force to empowerment through creation *The Magic of Viral Energy* is eye opening and exciting and it makes day to day life easier and our big

dreams possible The Magic of Viral Energy could not be timelier in my opinion MOVE helps us recognize and understand ourselves Viral energy is food for our soul that s why it s magical Peter Egan actor Downton Abbey Unforgotten and Ever Decreasing Circles     How Public Schools Destroy Your Children's Lives and Careers Sandro Sehic,2010-06 Educating your children in the public schools does not take one minute or perhaps one day Education is a life long process and whether we like it or not the fact is it never stops Your children will spend the most important part of their lives at the public schools and whatever they learn at those schools will impact their lives as long as they live What really happens to your children at public schools each day Do you think that your children are learning useful information in today s schools If you think that your children will leave today s public schools properly prepared for real life the answer is no you are WRONG Public schools have failed Many teachers are not properly educated with the appropriate teaching certification School administrators constantly sell lies about the success of their students when in reality they are failing miserably today Courses and exams are designed to be very simple so that they no longer test the knowledge of our children properly The greatest portion of school budgets is spent on the salary of local school administrators Almost everything your children learn in today s public schools is useless Teaching positions are no longer designed for the smartest and most qualified teachers they have become political positions that anyone can hold as long as they get approved by the school board It s not too late to do something to turn this around How Public Schools Destroy Your Children s Lives and Careers offers thoughts and solutions on this hot button topic
