Stewardship And The Tithe:

Stewardship and the Tithe Costen Jordan Harrell,1953 *On the Pilgrim's Way* John K. Brackett,1988 **On the Pilgrim's Way** John Brackett,1996 Stewardship is not a fund raising gimmick writes John Brackett It is a lifestyle a theological form of self and corporate management But without a solid understanding of stewardship what cannot be grasped is even more difficult to live out in daily life **Stewardship Roots** Angel M. Rodriguez,2013-12-20 Giving and Tithing Larry Burkett,1998-08-01 Although it is better to give than to receive giving is harder for most people Giving is not only good stewardship it enables the church to help those in need Respected Christian financial expert Larry Burkett uses God s Word to show the strong biblical basis for giving to and serving in the church Using benevolence ministries as an example Burkett explains how God uses Christians to minister in His name This is accomplished by giving back to God a portion of what He has graciously given **Stewardship and Tithing** T. Thornes,1981 **Stewardship Roots** Angel M Rodriguez, STEWARDSHIP ROOTS STW 1050 by Angel Rodr guez former Director of the Biblical Research Institute is the Church s effort to articulate a theology of stewardship tithe and offerings respectively Your thinking will be stimulated and your spiritual life enhanced It is a good reference work for your stewardship certification course Stewardship Roots Angel Rodríguez,1994 **Tithes, Offerings & First Fruits** Mensa Otabil,2019-09-21 In Tithes Offerings and First Fruits the author looks at the practice of giving in the kingdom of God and at the many forms that are mentioned in the Bible This exploration will add to a Christian understanding of righteous stewardship and clarify much of the confusion and debate within the contemporary church A major contribution of the book is Mensa Otabil s thoroughly researched and deeply scriptural explanation of tithing and whether its application in the Old Testament remains relevant and important for New Testament believers The book addresses some of the most instructive instances of giving from Genesis through the New Testament gleaned lessons about why various figures in the Bible gave how they presented their offering and how God responded to their gesture **Tithing after the Cross** David A. Croteau,2016-09-21 Some in the church find it very difficult to talk about money but it s a subject that cannot be avoided The church needs money to continue to function Missionaries need money to carry the gospel As a result however reluctant we are to talk about it we have to do so And when we do so we often generate more confusion and resentment than cash Some churches require that members be tithers before they can take positions of leadership This in turn can result in a sort of spying by one believer on another How much do we each earn Is our giving equal to 10% of our income On the other hand there are those who discount tithing and consider themselves tithers because they give two or three percent of their income They may say that they tithe 3% of their income But what exactly does the Bible teach about tithing and how does that apply to us today Is there a way for us to become grace filled givers Can stewardship giving and financing the work of building the kingdom become a joy rather than a duty or a source of dissension David Croteau has written at length on this topic before In this volume of the Areopagus Critical Christian Issues

series he undertakes a brief examination of tithing stewardship and giving He starts by asking just what the Israelites were called on to give by the scriptures He then follows through the various arguments in favor of tithing as a law applicable to Christians and shows how these arguments fail Finally he discusses a basis for gracious joyful giving as God directs each of us In just 96 pages including all the front matter you ll find your understanding of Christian stewardship changed You won t find here a license for apathy or selfishness Instead you ll find a challenge to discover and do God s will in your finances as in every other area of your life

Where Do We Bring Our Tithe? G. Edward Reid, 2020 WHERE DO WE BRING OUR TITHE IN SEARCH OF THE STOREHOUSE STW 4050 by G Edward Reid answers the following questions from the biblical record and the counsels of the Spirit of Prophecy Just where is the storehouse today And even if I knew where it was do I have to turn in all my tithe there or can I use my own discretion and return my tithe as I see best What should I do with my tithe if I sincerely believe that those charged with the responsibility of distributing the tithe are not doing so in a responsible manner If I know of an independent ministry that is doing good work that I want to support can I send my tithe to them Isn t that a gospel ministry

A Biblical Perspective On Tithing & Giving: A Believer's Stewardship Guide Rich Brott, 2008 According to author Rich Brott nothing happens in the economy of God until you give something away It is a universal law of God Giving is the trigger for God s financial miracles When you give to the Kingdom of God it will be given back to you We must do so in complete confidence that our God will not only meet our needs but allow us to have plenty left over so that we can joyfully share it with others When it comes to personal possessions money and wealth you cannot take it with you but you CAN send it on ahead Bottom line is this what you keep you will lose but what you give away you will gain When you become a faithful tither and a generous giver you become an individual whom God can bless
