Sticks Stones And Shadows:

Sticks, Stones, and Shadows Martin Isler, 2001 What do the pyramids of Egypt really represent What could have driven so many to so great and often so dangerous an effort Was the motivation religious or practical Illustrated with more than 300 photographs and drawings this book presents an original approach to the subject of pyramid building It reveals the connection between devices that served both a practical need for survival and a spiritual belief in gods and goddesses It examines Egyptian technologies and techniques from the origins of pyramid development to the step by step details of how the ground was leveled how the site was oriented and how the stone was raised and placed to meet at a distant point in the sky Here the author also asks and answers questions virtually ignored for the last century He discloses for example the ancient use of shadows now denigrated to the ornamental back yard sundial but once an important tool for telling the height of an object geographical directions the seasons of the year and the time of day He also reinterprets the ancient stretching of the cord ceremony which once was thought to have only religious significance but here is shown as the means of establishing the sides of a pyramid

A Place of Stone and Darkness Chris Mousdale, 2019-05-07 The amazing mysterious realm of Striggworld can finally be revealed When the human creatures appeared they ravaged the forests and hunted many birds to extinction The flightless Striggs had only one option They went down down under the ground And it's there as you may have heard it whispered that they still remain Far below in a place of

stone and darkness Over thousands of years they colonised a labyrinth of tunnels and caves but even underground the Striggs are not safe chemicals now pollute their water and a deadly sickness threatens the flock Even worse an inquisitive young Strigg called Ellee Meddo discovers a human boy trapped deep in a well Humans are to be feared and saving him could mean travelling to the surface a place of untold peril What will Ellee decide to do Are you brave enough to follow Ellee into the darkness *The Stone and the Shadow* Krishna. S,2012-03-21 *The Stone and the Shadow* is a series of twelve volumes It is the fable of Stone who finds himself in the quest for several answers at a time that demands more insight than he can engender Like many others he thought his quest would end when he did find his answers strangely that was when the quest really began His journey continues as he meets several magical personalities that accompany him as he stumbles across complicated hurdles and unexpected rewards in a strange land where the laws of physics act peculiarly at every step Stone s chief mentor in this maze of exhilarating experiences is a youthful angelic being by the name of Star who steers him wisely and wittily through a potentially disturbing string of incidences as they inch closer to the titillating goal of their quest The story of this quest is dedicated to the wisdom and peace that lies within each one of us **The National Organization,**
