The Stiffest of the Corpse Andrei Codrescu, 1989-08 The Stiffest of the Corpse brings together the best of the radical journal of books and ideas that galvanized the tepid literary world of the 1980s Talk erudition and savagery join here for a truly international assault on a mass hypnosis and image manipulation This collection should further fuel the controversies that are the life blood of the Corpse Andrei Codrescu is a poet memorialist essayist and translator He is a regular commentator on National Public Radio and Professor of English at Louisiana State University Born in Transylvania Romania on December 20 1946 he lives in New Orleans **Andrei Codrescu and the Myth of America** Kirby Olson, 2014-09-17 This is one of those times a time choked in the weeds of academic and civilian formalism To put it mildly most of what we see in print in North America is unbearably trivial and singularly devoid of courage Andrei Codrescu The Disappearance of the Outside Known to the general public as a radio commentator on National Public Radio Romanian born essayist and poet Andrei Codrescu has developed a variety of voices throughout his career Transylvanian humorist on NPR surrealist poet in his many volumes of poetry academic essayist in his philosophical writings and historical novelist Taking seemingly everyday events in seemingly mundane places Codrescu is able to link the random details into a larger whole leading his readers and listeners to conclusions very different from those they first imagined This work explores Codrescu s writings and how they are a part of the surrealist tradition It examines the ways in which his poetry essays and novels are influenced by his upbringing in Communist Romania and the liberal attitudes he encountered upon moving to the United States and draws comparisons between Codrescu and other surrealists An interview with the author is also included [The Little Magazine in Contemporary America](#) Ian Morris, Joanne Diaz, 2015-04-09 Little magazines have often showcased the best new writing in America Historically these idiosyncratic small circulation outlets have served the dual functions of representing the avant garde of literary expression while also helping many emerging writers become established authors Although changing technology and the increasingly harsh financial realities of publishing over the past three decades would seem to have pushed little magazines to the brink of extinction their story is far more complicated In this collection Ian Morris and Joanne Diaz gather the reflections of twenty three prominent editors whose little magazines have flourished over the past thirty five years Highlighting the creativity and innovation driving this diverse and still vital medium contributors offer insights into how their publications sometimes succeeded sometimes reluctantly folded but mostly how they evolved and persevered Other topics discussed include the role of little magazines in promoting the work and concerns of minority and women writers the place of universities in supporting and shaping little magazines and the online and offline future of these publications Selected contributors Betsy Sussler BOMB Lee Gutkind Creative Nonfiction Bruce Andrews L A N G U A G E Dave Eggers McSweeney s Keith Gessen n 1 Don Share Poetry Jane Friedman VQR Amy Hoffman Women s Review of Books and more *Exquisite Corpse* , 1987 **Thus Spake the Corpse: Poetry & essays** Andrei Codrescu, Laura Rosenthal, 1999 Before
