Still Life with Oysters and Lemon Mark Doty, 2002-07-10 Mark Doty's prose has been hailed as tempered and tough, sorrowing and serene. The New York Times Book Review and achingly beautiful The Boston Globe. In Still Life with Oysters and Lemon, he offers a stunning exploration of our attachment to ordinary things, how we invest objects with human stories and why.

The Swimsuit Christine Schmidt, 2013-07-18 The Swimsuit Fashion from Poolside to Catwalk documents the modern swimsuit's trajectory from men's underwear and circus performance wear to its unique niche in world fashion. It emphasizes the relationship between fashion, media, celebrity, sport, and the cultivation of the modern body. This fascinating book provides an historical, sociological, and cultural context in which to view how the swimsuit and Australia, the country that significantly influenced its modern form, migrated from the cultural and colonial periphery to the centre of international attention. In addition, the book offers new perspectives on national histories of the swimsuit and investigates how traditional European fashion centers have opened up to new markets and modes of living, bringing together influences from around the globe. The Swimsuit is essential reading for students, scholars, and the general reader interested in fashion, popular culture, history, media, sport, and gender studies.

Gerry Wedd Mark Thomson, Gerry Wedd, 2008 When I first came across Mambo, I remember looking at the wall of T-shirt designs at the breadth and wit of the drawing there and thought, why would they ever use mine? In the late 1980s, the young surfer and artist Gerry Wedd came to the attention of Mambo Graphics, the iconoclastic surf wear company. With his sense of humour, his subject matter, his encyclopaedic knowledge of surfing culture, and his scratch board style of drawing, Wedd found a spiritual home in Mambo and helped build the developing Mambo ethic. But there's more to Gerry Wedd than Mambo. This latest book in the South Australian Living Artists SALA series showcases the work of a unique artist who works in a wide range of media, including ceramics, public art, jewellery, and fabric design. In a career spanning three decades, Gerry Wedd's works maintain a sardonic wit and thought-provoking charm. In Gerry Wedd, author Mark Thomson reveals a man whose life and work is a pleasant shambles of activity zigzagging in and out of so many subjects and spaces, an artist who makes no apology for not being modernist or post-post-modern or any other sort.
